VOL. 90 No. 50

FIFTEEN CENTS

THE MAIDEN VOYAGE of the newly-refurbished Viking ship "Draugen" was a success Sunday as Ev Offedahl and his crew of "Norsemen

pirates" set out to "plunder" Blarney Island. A picture of the launching and a story about the fun event appear in Annie Mae's column on page 7.

## Shopping Spree Is Still On

Residents of Antioch and surrounding communities have four more days to enter the Chamber of Commerce's annual "Shopping Spree."

The deadline for depositing coupons in participating stores is Saturday.

Coupons and the names of the stores appear in today's Antioch News. A total of \$500 in \$5 gift checks await the winners.

Coupons can be deposited at any participating store with no limit on the number deposited by any entrant; however, no one under 18 years of age, or store employees or their relatives will be eligible for prizes. There also will be a limit of one prize per family.

After Saturday, the coupons will be collected, a drawing will be held, and the following prizes awarded:

Grand Prize: \$250

Two-First Prizes: \$100 each.

Second Prize: \$50.

All prizes will be awarded in the form of \$5 gift checks redeemable in any participating store for merchandise or service.

"Poke is the power to raise the eyebrows instead of the roof."

## Maple Trees Still in Danger?

How do your maple trees look?

Some residents of Lake County have been calling Lake County Extension Advisor Ray Nicholas in Grayslake with such comments as:

"My maple trees look like they have marshmallow on them; the trees look like they were strung with popcorn, or

that there are masses of cotton covering many of the twigs and branches."

Some homeowners say the leaves of the maple trees look like they have measles, or that they are covered with warts.

The cottony appearing substance is caused by an insect known as cottony maple scale.

A scale insect is flat like a fish

scale and attaches itself to the branches. The partly grown, brown, oval female, about an eighth of an inch in diameter, overwinters on a twig or branch. She grows rapidly in the spring and lays many eggs in the mass of cottony threads produced in her body.

When the eggs hatch in June or July the tiny scales move to the leaves where they suck food from the leaf tissue.

As a result of this feeding some leaves may drop prematurely, but usually not in sufficient quantity to harm the trees. They are seldom a problem two successive years in a row because parasites and predators will control them.

Where infestation is extremely great, they can be controlled by spraying in late June or early July when the eggs are hatching.

Sprays applied before the

eggs hatch will not be effective in controlling the scale insects. One may also apply a dormant oil emulsion in late fall or early spring.

ANTIOCH VILLAGE trustee William H. Seemann said:

"We sprayed last year at the correct time, and we sprayed every silver leaf maple on village property and private property. But we still seem to have the problem."

Seemann said he is going to have the county's conservation experts and extension advisor come to Antioch to assess the extent of the village's problem.

"We're looking for information as to what further steps we might take in late June and early July when the eggs hatch," Seemann said. "I want to see how extensive this is in the village of Antioch and we want an assessment of the

damage done. Also, the damage that can be done to the silver leaf maples and other softwooded trees."

The spraying of the chemical, malathion, is done with a snorkel extending from a heavy machine.

LAST YEAR at this time Antioch was seriously concerned about the cottony maple scale destroying the village's

## Open House Saturday At Treatment Plant

An open house will be held at Antioch's waste water treatment plant on Turner Drive.

The hours will be from 1 to 4 p.m. on Saturday and the public has been encouraged to attend.

There will be dedication ceremonies at 2 p.m. The village's addition to the treatment plant is now complete and its capacity has been enlarged.

Village residents should find the tour interesting to see how Antioch's water is purified by the new type of system.

## Board Ponders Channel Lake School Problem

Antioch Grade School District 34 discussed the future of Channel Lake school at the school board's meeting last week.

A plumbing and heating company has estimated that the school needs to spend about \$6,000 on a new boiler and perhaps \$1,000 on other repairs.

The board voted to approve spending up to \$1,200 for the repairs needed to make the

boiler system useable.

Parents of Channel Lake pupils may be invited to a meeting to decide the future of the school.

The question is whether to renovate it, or spend the money needed to meet life-safety requirements.

Letters of resignation were accepted from three teachers: James Shramm, industrial arts; Susan Barron, first grade at Oakland school, and Molly Warren, learning center director.

"Ideas are very much like children—your own are wonderful."

## FURNITURE

## CLINIC

A new column, "The Furniture Clinic," by Janet Miller, will appear in the Antioch News starting Wednesday, July 7.

...It will be a question-answer section. Please address your questions to the Antioch News, P.O. Box 5, Antioch, IL 60002.

"THE OLD ATTIC" is a new business that has opened in Antioch, upstairs from White's Ice Cream Parlor, 775 Main St. Gail Fields (left) and Cathy Haley, proprietors of the business, sell antiques, collectables and homespun gifts. The upstairs of the building includes four rooms, including "Granny's Kitchen, Hayfield's Loft, Grandma's Parlor and Calico Country." Residents of the area will be interested in seeing the quaint and charming atmosphere of the "The Old Attic."

## Trevor Man Charged With Rape

A 20-year-old Trevor man is being held in Kenosha county jail, charged with the rape of a 19-year-old Antioch girl last Wednesday.

He is Steven Dooley, of Box 185, Trevor. Kenosha sheriff's detectives said he is being held on \$10,000 bond.

Dooley is charged with abducting the young woman while she was walking east of the Soo Line tracks on North Ave.

Antioch police cooperated with the Kenosha sheriff's department and the FBI in arresting Dooley last Friday. He has already made his initial court appearance in Kenosha.

Antioch police are charging him with aggravated kidnapping.

many beautiful maple trees.

The spray is not very toxic, not dangerous to children and animals, nor to the paint on

houses or cars. But it can leave a small residue that is easily washed off.

It isn't certain whether Antioch will have to spray again this year.

## Sheriff's Deputy Is Killed

A Lake County sheriff's deputy, Gary Murphy, is dead as the result of a shooting Monday night in Knollwood.

Police said Murphy was shot in the stomach by a woman.

They said she also shot another deputy, Dave Green, in the arm.

The woman is in custody in Lake County jail. Murphy had often worked on cases along with the Antioch police.

## 2 Burglaries Reported Here, 2 Arrested

There were two burglaries in Antioch last week and, in one of the cases, Antioch police arrested two young men.

A telephone burglar alarm notified police of a break-in last Saturday night at H&S Manufacturing, 795 Bartlett.

Officers went to the scene, found a broken window and, inside the building, arrested an 18-year-old from Waukegan and a 19-year-old from Lindenhurst.

LEIF LARSEN JR. of Antioch will celebrate his 30-year service anniversary with Illinois Bell on Sunday. Mr. Larsen is a communications maintenance man at 531 Lake St. He also holds a five-year safe driving record with the company. Mr. Larsen is a member of the VFW and the road commission for his local subdivision.

## Chicago Man Drowns in Fox River

A 29-year-old Chicago man drowned Sunday in the Fox River, west of Antioch.

Lake County sheriff's deputies said John Splawski disappeared beneath the water while attempting to swim across the river.

A boater told police he saw Splawski fighting for his life in the middle of the river, threw him a life preserver, but the Chicago man went below the water before he could seize it.

The body was recovered four hours later by the county's underwater recovery team and was taken to Strang Funeral Home in Antioch. A coroner's jury is investigating the drowning.

A 2-year-old Fox Lake boy, Brett Pichy, also drowned Sunday, in Fox Lake near his home.

## Lake Villa Firm Fined

The Illinois Department of Agriculture has said that a Lake Villa firm has been fined under laws administered by its division of meat, poultry and livestock inspection.

Norm Ahrens and George O-Day, of Circle D Ranch, Inc., were found in violation of the Livestock Auction Market Law (operating a livestock auction market without being licensed). On May 17, they were fined \$100 and \$50 court costs.

## Burglaries

Continued from page 2

Antioch Drugs in the Plaza shopping center, reported a break-in there when she arrived at work Friday morning.

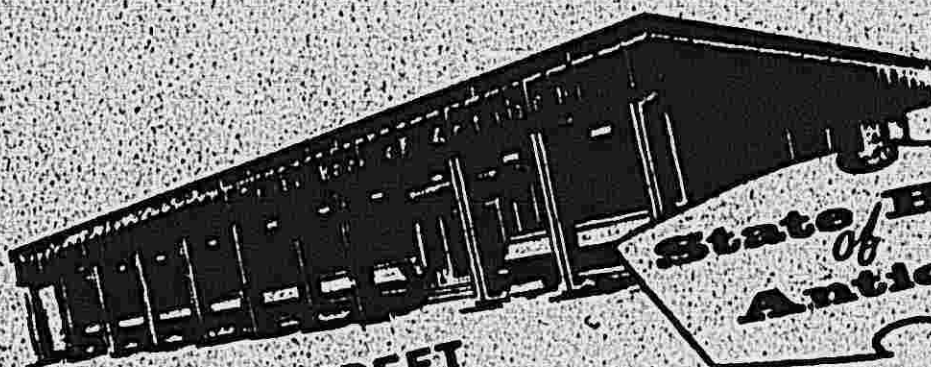

Police said that all of the store's drug cabinets were rifled and narcotics were stolen.

Entry apparently was gained through a chimney hole, and then the burglar broke through the store's ceiling, police said.

## EDITORIAL

## Self-Service Gas Stations

Three state representatives, including Cal Skinner Jr. (R-Crystal Lake), have called for a thorough study of other states' experiences with self-service gasoline stations before any action on the issue is taken by the Illinois General Assembly.

In a resolution filed in the House of Representatives, the three legislators called for its research arm, the Legislative Council, to determine:

- the effect, if any, that self-service gasoline sales will have on the price of gasoline;
- the benefits and detriments to the consumer that self-service sales would bring;
- the effect such sales will have on the small independent businessmen who generally run service;
- the effect of self-service stations on the further vertical integration of the oil industry; and
- any significant experiences other states have had as a result of self-service gasoline sales.

EVEN THOUGH ILLINOIS is one of only four states that do not allow self-service gasoline sales, and though many powerful oil companies are lobbying for legalization in this state, a thorough study of the practice should be made first.

Similarly, the state fire marshal should do nothing to unilaterally approve self-service gasoline sales until a complete investigation can be made.

In this matter, as in every other, the legislature must try to maximize the public interest over the long run, rather than just looking at what may be a short-term price cut.

We ought to know whether or not it is likely that an initial reduction in the price of gasoline at self-service gas stations will be permanently lost during the next oil embargo.

One thing is for certain: a lot more is at stake than safety.

## To Install Officers

The June chapter night meeting of the Antioch Women of the Moose saw 38 members turn out to see Karen E. Blickle enrolled.

However, Karen is presently in the armed forces in Ft. Lewis, Wash., so it will be July of 1977 before she is discharged and can attend more meetings.

She is the daughter of Clavin and Marge Blickle of Zion, members of the Antioch Moose Club.

New officers and chairmen will be installed at 8 p.m. this Saturday. A dance will follow at 10 p.m. with music by "The Changing Times."

## Letter

An open letter to the young men who stole the American and Bicentennial flags from Felter's Subdivision:

We hope that you will continue to respect these flags as we have in the past. If you haven't destroyed or hid them, why not display these flags so your parents and neighbors can share your pride of being Americans.

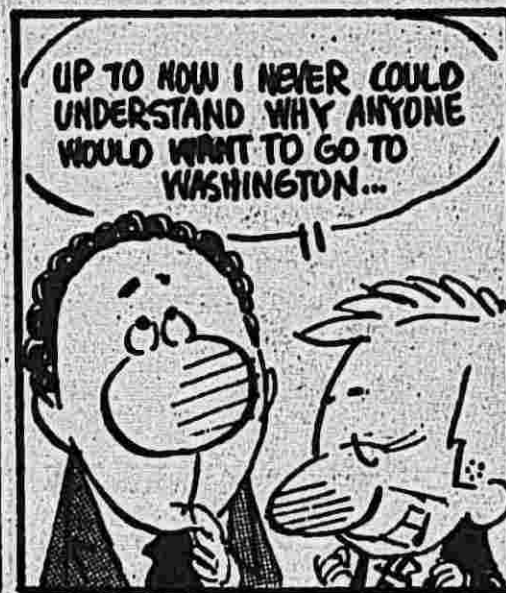

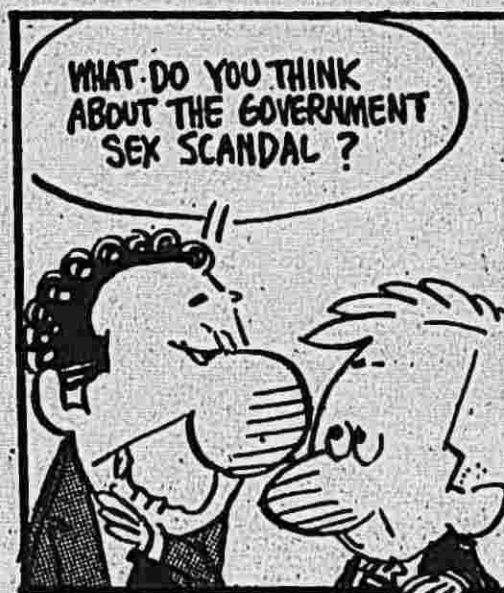

We also hope you didn't damage your parents' dark station wagon, with wood-grained sides, since we noticed

you drove without lights on that Saturday evening, June 12, at midnight just as the storm was beginning.

God Bless America,

Board of Directors  
Felters Association  
Antioch, Illinois

Antioch Jaycees  
CORNER

By WALLY JASZKOWSKI

The Antioch Jaycees are alive and well and are entering their sixth year of operation.

The Jaycees offer personal growth through community development for young men. The Antioch Jaycees are actively seeking community young men between the ages of 18 and 35 for membership.

Some reasons you may want to join the Jaycees are:

1. the desire for self-improvement, 2. the desire for community involvement, 3. the desire for fellowship.

If you wish to secure an

application to join this worthwhile organization, please contact Wally Jaszowski at 395-2700. The Jaycees' next general membership meeting will be held on Thursday, June 24, at 8 p.m. We will be meeting

for the first time at the Harbor Restaurant, Grass Lake Rd.

We would like to take this opportunity to thank John Doetsch, who has afforded us his facilities for our meeting place for the past few years.

## Seeks Coles' Board Seat

Richard Anderson, 23, of Grayslake, has announced he will be a candidate for the Democratic nomination for the Lake County Board in the special Sept. 14 primary for District 4.

Anderson is the vice-chair-

man of the College of Lake County board of trustees.

He is running for the District 4 seat formerly held by Ronald Coles of Lake Villa. Anderson is the Democratic committeeman for Avon Township's third precinct.

## The Time Machine

70 YEARS AGO: JUNE 14, 1906

The mystery of the recent disappearance of Carrie Sivers, as noted in these columns last week, has been solved at last. The young woman, who was alleged to have been kidnapped, was united in marriage on Monday to Albert Norman, a Kenosha teamster.

Loss of strength, no appetite, nervousness, headache, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion: it digests what you eat. Sold in Antioch.

50 YEARS AGO: JUNE 17, 1926

The first death of drowning in the lakes of the county for the season occurred in Grass Lake Sunday evening when Michael Brenner, 42, of Chicago stepped out too far in the lake near the mouth of the Fox River and drowned before friends summoned by his cries could reach him.

Otto Klass will move into his newly remodeled building on the east side of Main street and will be ready for business on Monday. Souvenirs will be given to everybody on Saturday, June 26. Mr. Klass offers a very nicely arranged and complete line of men and boys wearing apparel.

Special This Week Only: Men's \$1.00 Athletic Union Suits, 69c S.M. Walence "For Men and Boys."

20 YEARS AGO: JUNE 14, 1956

Don't forget Father and Grandfather, too! Come in and shop for Father's Day at Jack's Town & Country Shop, 890 Main St., for gifts to please that man. Sports shirts from \$1.95; Wembley ties from \$1.50; and Gulf Stream slacks from \$7.95.

It is planned that the Antioch Lions Club swimming pool will open on or about July 1, 1956. Applications for season tickets and swimming lessons are now available at Reeves Drug Store, State Bank of Antioch, First National Bank of Antioch, Antioch-News office and King's Drug Store.

10 YEARS AGO: JUNE 16, 1966

There is six weeks of hard work ahead for 50 actors plus a large technical crew: "South Pacific" has been launched and is now in rehearsal at PM&L. Director Ken Smouse announces his cast includes Sydney Morton as Ensign Nellie Forbush and Ken Smouse as Emile DeBecque.

## Higgins Receives Banking Diploma

Richard Higgins of the First National Bank of Antioch received a diploma from the Illinois Bankers School last Friday in recognition of successful completion of course requirements for the 1975-76 session of the school held at Southern Illinois University at Carbondale.

The Illinois Bankers School is a comprehensive, combination residence and extension school for bankers covering a two-year period.

Areas covered include loans, investments, marketing, operations and other aspects of the banking industry. Instructors were bankers, attorneys, marketing directors, as well as Southern Illinois University instructors.

Mr. Higgins has been employed by the First National Bank of Antioch since July of 1973 in collections and installment lending and was promoted to assistant cashier in December of 1975.

RICHARD HIGGINS

He holds an associate degree from Gateway Technical Institute in Kenosha and a Basic Banking Certificate from the American Institute of Banking.

He also attended the Independent Bankers Seminar at Ball State University in Muncie, Ind.

## Village Sets Lawn-Watering Restrictions

To protect one of the village of Antioch's most precious resources, its water supply, village officials say it is necessary to restrict the use of lawn watering devices.

Effective immediately, lawn watering will be allowed between the hours of 7 and 9 p.m. on odd-numbered days for people living north of the center line of Orchard St., and on even-numbered days for those living south of that line.

"We urge our citizens to observe these restrictions so we may continue to provide you with adequate water surplus for necessary activities," Mayor Robert C. Wilton said.

## Lake Villa Has Plans for Federal \$\$\$

Mayor Ted L. Nielsen has announced that the village of Lake Villa plans to use \$8,253 anticipated to be received from the federal office of revenue sharing to correct health problems arising from sanitary sewer and water problems.

## Physical Exams For Students

Dr. Robert Barnes, whose offices are at 204 N. Milwaukee in Lake Villa, has announced he will be giving physical exams for students on Wednesday mornings from 9 a.m. until 12 noon.

Persons wishing more information can call Dr. Barnes' secretary at 356-1555.

## Summer School Begins Thursday

Summer school begins at Antioch High School on Thursday and will end July 30.

July 2 and 5 will be vacation days.

Because the Illinois legislature failed to provide state aid for summer schools, Antioch must revert to a tuition charge for attendance. The fee is \$25 per semester course.

The student council, class officers and student council representatives have been elected for the 1976-77 school year. They are:

Student council: Tom Banwart, president; Ina Buckner, vice-president; Charlene Keller, secretary and Jim Gutowski, treasurer.

Senior Class: President, Brian Kovach; Vice-President, Carolyn Nauer; Secretary, Sue Rathman; Treasurer, Tim Learmont. Representatives: Kathy Anderson, Kim Budovec, Sheila Haley, Sherry Pechulis and Tim Vander Meer.

Junior Class: President, Margaret Bessette; Vice-President, Tina Grigoris; Secretary, Kay Westlund; Treasurer, Hope LaChance. Representatives: Sheri

Bechtol, Sue Mannina, Irene Nevitt, Bob Hunley and Greg Allen.

Sophomore Class: President, Boro Reljic; Vice-President, Sue Fischer; Secretary, Doreen Kane; Treasurer, Michelle Wolf. Representatives: Joy Bowman, Laura Miller, Dawn Quedenfeld, Debbie Bundy, Tom Stroschein and John Toal.

Freshman class officers and student council representatives will be elected after school begins.

## Along the way with ANNIE MAE

If there's another town this size that has as much fun as Antioch we'd like to hear about it.

Sunday's maiden voyage of Ev Oftedahl's Viking ship, Draugen, was dynamite, to say the least.

The destination was Blarney Island and the purpose was to plunder.

"We will ravish the island,

burn their fields, sink their ships, drink their whiskey and, uh, steal their women," Ev's Viking crew promised.

The launching took place at Haling's resort and the crew included Mike Haley, Art Meierdirk, Nick Badame, Rich Brennan and Ed Frisk. All dressed as Norsemen pirates.

THE EVENT attracted a delighted crowd. The crew rowed out of the channel but the ship's sail took them all the way to the island and back. The Draugen took on water at first and Nick Badame was shouting:

"How come an Italian has to bail the water out of a Norwegian ship? Oh well, Christopher Columbus had to help them, too."

A small cannon fired from the ship added excitement to the maiden voyage.

"We rode dangerously low in the water, I thought," said Ev. "But, of course, our combined weights totaled 1,285 pounds."

We hear that two of the Vikings, upon reaching Blarney Island, immediately seized two young beauties in bikinis and began carrying them back to the ship.

After the fun was over, at about 4:30, each Viking once again threatened to steal one of Blarney Island's women. And we hear that two of the gals picked up Nick Badame and carried him back to the vessel.

The newly refurbished Viking ship eventually will be ported at Ev Oftedahl's place on a lake near Elkhorn, Wis.

GEE WHIZ, a nice little girl who just celebrated her first birthday doesn't belong in the hospital. Lisa Alberts of Lake Villa is in Victory Memorial

THE VIKING SHIP "Draugen" took on water early in its journey, but made it safely to Blarney Island and back Sunday. Nick Badame, a member of Ev Oftedahl's crew, is shown bailing

out the water. Mr. Oftedahl bought the unique vessel from friends of Joe and Marilyn Sterbenz in Elkhart Lake, Wis.

hospital, but we hear she's getting better and will be home soon. Hurry up, Lisa; get well so you can enjoy your second summer.

LOTS OF important birthdays to celebrate in the coming week. Bill Vos will be 17 on Friday and Erlene Pearce of the Antioch News staff will have a birthday on Friday, too, but she won't get any older.

It's star bowler Curly Wertz's birthday on Saturday and Cindy Carney's turn to blow out the candles next Monday. Joan Apostol and Jennifer Haley will celebrate birthdays next Wednesday.

Gosh, we missed mentioning an important birthday last Wednesday, June 9. Jean Ellen Johnson is now one-year-old. Her parents, Dennis and Terri Johnson, are beginning their third year with Ashland Jewelers at 381 Lake St.

And Chuck and Charlotte Hansen are celebrating the first anniversary of their Antioch Schwinn Bicycle store at 890 Main St.

Next Monday, the 21st, will be

the wedding anniversary of Helen and Bernie DeVries.

Mr. and Mrs. Joseph E. Horton celebrated their 30th wedding anniversary last Thursday, June 10. The Hortons and their family had an

anniversary dinner at Andre's Steak House in Richmond.

By the way, have you seen the fantastic job Mr. Andre has done in expanding his beautiful restaurant?

HEAR TELL that Fern Wat-

son and Patti Wilton left last Saturday for a two-week vacation in Hawaii. Wish they had taken us along. On second thought, we'll save that trip for winter.

"THE FRIENDLY ONES"

## The Time Machine

### 70 YEARS AGO: JUNE 14, 1906

The mystery of the recent disappearance of Carrie Sivers, as noted in these columns last week, has been solved at last. The young woman, who was alleged to have been kidnapped, was united in marriage on Monday to Albert Norman, a Kenosha teamster.

Loss of strength, no appetite, nervousness, headache, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion: it digests what you eat. Sold in Antioch.

### 50 YEARS AGO: JUNE 17, 1926

The first death of drowning in the lakes of the county for the season occurred in Grass Lake Sunday evening when Michael Brenner, 42, of Chicago stepped out too far in the lake near the mouth of the Fox River and drowned before friends summoned by his cries could reach him.

Otto Klass will move into his newly remodeled building on the east side of Main street and will be ready for business on Monday. Souvenirs will be given to everybody on Saturday, June 26. Mr. Klass offers a very nicely arranged and complete line of men and boys wearing apparel.

Special This Week Only: Men's \$1.00 Athletic Union Suits, 69c S.M. Walence "For Men and Boys."

### 20 YEARS AGO: JUNE 14, 1956

Don't forget Father and Grandfather, too! Come in and shop for Father's Day at Jack's Town & Country Shop, 890 Main St., for gifts to please that man. Sports shirts from \$1.95; Wembley ties from \$1.50; and Gulf Stream slack from \$7.95.

It is planned that the Antioch Lions Club swimming pool will open on or about July 1, 1956. Applications for season tickets and swimming lessons are now available at Reeves Drug Store, State Bank of Antioch, First National Bank of Antioch, Antioch News office and King's Drug Store.

### 10 YEARS AGO: JUNE 16, 1966

There is six weeks of hard work ahead for 50 actors plus a large technical crew: "South Pacific" has been launched and is now in rehearsal at PM&L. Director Ken Smouse announces his cast includes Sydney Morton as Ensign Nellie Forbush and Ken Smouse as Emile DeBecque.

## Higgins Receives Banking Diploma

Richard Higgins of the First National Bank of Antioch received a diploma from the Illinois Bankers School last Friday in recognition of successful completion of course requirements for the 1975-76 session of the school held at Southern Illinois University at Carbondale.

The Illinois Bankers School is a comprehensive, combination residence and extension school for bankers covering a two-year period.

Areas covered include loans, investments, marketing, operations and other aspects of the banking industry. Instructors were bankers, attorneys, marketing directors, as well as Southern Illinois University instructors.

Mr. Higgins has been employed by the First National Bank of Antioch since July of 1973 in collections and installment lending and was promoted to assistant cashier in December of 1975.

RICHARD HIGGINS

He holds an associate degree from Gateway Technical Institute in Kenosha and a Basic Banking Certificate from the American Institute of Banking.

He also attended the Independent Bankers Seminar at Ball State University in Muncie, Ind.

## Village Sets Lawn-Watering Restrictions

To protect one of the village of Antioch's most precious resources, its water supply, village officials say it is necessary to restrict the use of lawn watering devices.

Effective immediately, lawn watering will be allowed between the hours of 7 and 9 p.m. on odd-numbered days for people living north of the center line of Orchard St., and on even-numbered days for those living south of that line.

"We urge our citizens to observe these restrictions so we may continue to provide you with adequate water surplus for necessary activities," Mayor Robert C. Wilton said.

## Lake Villa Has Plans for Federal \$\$\$

Mayor Ted L. Nielsen has announced that the village of Lake Villa plans to use \$8,253 anticipated to be received from the federal office of revenue sharing to correct health problems arising from sanitary sewer and water problems.

## Physical Exams For Students

Dr. Robert Barnes, whose offices are at 204 N. Milwaukee in Lake Villa, has announced he will be giving physical exams for students on Wednesday mornings from 9 a.m. until 12 noon.

Persons wishing more information can call Dr. Barnes' secretary at 356-1555.

## Summer School Begins Thursday

Summer school begins at Antioch High School on Thursday and will end July 30.

July 2 and 5 will be vacation days.

Because the Illinois legislature failed to provide state aid for summer schools, Antioch must revert to a tuition charge for attendance. The fee is \$25 per semester course.

The student council, class officers and student council representatives have been elected for the 1976-77 school year. They are:

Student council: Tom Banwart, president; Ina Buckner, vice-president; Charlene Keller, secretary and Jim Gutowski, treasurer.

Senior Class: President, Brian Kovach; Vice-President, Carolyn Nauer; Secretary, Sue Rathman; Treasurer, Tim Learmont. Representatives: Kathy Anderson, Kim Budovec, Sheila Haley, Sherry Pechulis and Tim Vander Meer.

Junior Class: President, Margaret Bessette; Vice-President, Tina Grigoris; Secretary, Kay Westlund; Treasurer, Hope LaChance. Representatives: Sheri

Bechtol, Sue Mannina, Irene Nevitt, Bob Hunley and Greg Allen.

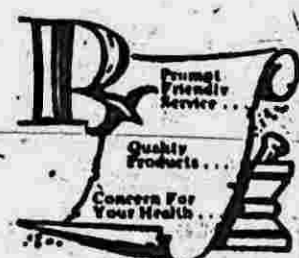

Sophomore Class: President, Boro Reljic; Vice-President, Sue Fischer; Secretary, Doreen Kane; Treasurer, Michelle Wolf. Representatives: Joy Bowman, Laura Miller, Dawn Quedenfeld, Debbie Bundy, Tom Stroschein and John Toal.

Freshman class officers and student council representatives will be elected after school begins.

## Along the way with ANNIE MAE

If there's another town this size that has as much fun as Antioch we'd like to hear about it.

Sunday's maiden voyage of Ev Oftedahl's Viking ship, Draugen, was dynamite, to say the least.

The destination was Blarney Island and the purpose was to plunder.

"We will ravish the island,

burn their fields, sink their ships, drink their whiskey and, uh, steal their women," Ev's Viking crew promised.

The launching took place at Haling's resort and the crew included Mike Haley, Art Meierdirk, Nick Badame, Rich Brennan and Ed Frisk. All dressed as Norsemen pirates.

THE EVENT attracted a delighted crowd. The crew rowed out of the channel but the ship's sail took them all the way to the island and back. The Draugen took on water at first and Nick Badame was shouting:

"How come an Italian has to bail the water out of a Norwegian ship? Oh well, Christopher Columbus had to help them, too."

A small cannon fired from the ship added excitement to the maiden voyage.

"We rode dangerously low in the water, I thought," said Ev. "But, of course, our combined weights totaled 1,285 pounds."

We hear that two of the Vikings, upon reaching Blarney Island, immediately seized two young beauties in bikinis and began carrying them back to the ship.

After the fun was over, at about 4:30, each Viking once again threatened to steal one of Blarney Island's women. And we hear that two of the gals picked up Nick Badame and carried him back to the vessel.

The newly refurbished Viking ship eventually will be ported at Ev Oftedahl's place on a lake near Elkhorn, Wis.

GEE WHIZ, a nice little girl who just celebrated her first birthday doesn't belong in the hospital. Lisa Alberts of Lake Villa is in Victory Memorial

THE VIKING SHIP "Draugen" took on water early in its journey, but made it safely to Blarney Island and back Sunday. Nick Badame, a member of Ev Oftedahl's crew, is shown bailing

out the water. Mr. Oftedahl bought the unique vessel from friends of Joe and Marilyn Sterbenz in Elkhart Lake, Wis.

hospital, but we hear she's getting better and will be home soon. Hurry up, Lisa; get well so you can enjoy your second summer.

LOTS OF important birthdays to celebrate in the coming week. Bill Vos will be 17 on Friday and Erlene Pearce of the Antioch News staff will have a birthday on Friday, too, but she won't get any older.

It's star bowler Curly Wertz's birthday on Saturday and Cindy Carney's turn to blow out the candles next Monday. Joan Apostol and Jennifer Haley will celebrate birthdays next Wednesday.

## July 4 Parade Plans Are Set

The Antioch Fire Department, in conjunction with the Antioch Bicentennial Commission, is sponsoring a parade on Sunday, July 4, rain or shine.

Units will start to assemble at 11:30 a.m. and the parade will start at the Antioch High School parking lot at 1:02 p.m. sharp.

From the parking lot the route will be north on Main St., through the downtown area to Williams Park where the marching units may drop out if they desire.

The floats will continue up Main St., to North Ave., west on North Ave., to Hillside Ave., and then to Poplar Ave., and back east to Williams Park at Main St.

There will be a reviewing stand at the village hall park area where three judges will judge the floats as they pass by.

Anyone wishing to participate in the parade can contact either Jim Quendenfeld (395-1355), Charles Mapletorpe (395-2240), Dale Frasch (395-1638), Barney Barnstable (395-0132) or Dennis Volling (395-3621). Reservations must be made as soon as possible.

The names of the units that said they would participate in the parade are as follows:

Rittenhouse & Embree Co., Antioch Legion Post No. 748, Antioch Area Chapter No. 1387 - AARP, Ashland Jewelers, PM&L Theatre, Thelen Sand & Gravel Co., Northern Ill. Conservation Club (2 floats) and Dog & Suds of Antioch.

E.H. Glenn & Sons Inc., Antioch Grade School Band Parents Assn., Girl Scouts of America, Antioch Coin Club, Faith Evangelical Lutheran Church, Lakeside Rebekah Lod-

ge, Antioch VFW Post 4551 and Auxillary, Antioch True Value, Antioch Jaycees and Antioch Chamber of Commerce & Industry.

Barnstables Dept. Store Inc., Antioch Woman's Club, Lake Region Homemakers, Antioch Garden Club, Chuck Cermak American Family Insurance, Antioch Free Church, Awana Clubs, Midwest Chapter of Alden Kindred of America and Antioch Rescue Squad.

The Advertiser, Antioch Republican Mens & Women's Club, First National Bank of Antioch, State Bank of Antioch, St. Peter's Women's Club, Interstate Saddle Club, Patriotic War Mothers, U.S. Post Office, Lake County Chapter Sweet Adelines and Lake Region Historical Society.

Bicentennial Commission, Cub Pack 192, Antioch Grade School Band, Antioch High School Marching Band, Antioch High School Color Guard, Racine Elks Youth Band, "All Stars" Baton Twirlers, Loyal Order of Moose Clown Club and American Legion Post Color Guard.

Chain O'Lakes Shirne Club Circus Wagon, 885 Civic Club, Chase's Phillips "66" Garage, Senator Carl Berning, Betty Lou Reed and Diamond Hasher Square Dancers.

There will also be eight fire departments from various communities participating.

## Engagement Announced

Mr. and Mrs. John White of O'Fallon, Ill., have announced the engagement of their daughter, Linda Sue, to Mr. Richard C. Plotz, son of Mr. and Mrs. Vernie Plotz of Antioch.

Mr. Plotz is a 1976 graduate of Milliken University and is employed at Duo-Fast Corp. in Addison, Ill.

Miss White is currently enrolled at Milliken as a speech communication major. No date has been set for the wedding.

## NAMES IN THE NEWS

KENNETH L. STERBENZ, son of Mr. and Mrs. Joseph Sterbenz, 920 David St., Antioch, has received his bachelor of arts degree in business administration from Coe College in Cedar Rapids, Ia.

Dolores Maresso, a 1972 graduate of Antioch High School, graduated last Saturday from Northwestern University in Evanston. Dolores is the daughter of Mr. and Mrs. Michael Maresso of Lake Villa.

Elda M. Minger has graduated with a major in English from Kenyon College in Gambier, Ohio. She is the daughter of Mr. and Mrs. Ralph E. Minger of 1020 Bishop St.

EIGHT ANTIOCH area students were named to the second semester honor roll at Carmel High School for Girls in Mundelein.

They are Lori Esser of Antioch, and (from the Lake Villa-Lindenhurst area) Mary Clare Wolff, Anne Marie Lorange, Annie Seisser, Georganna Kovanda, Virginia Brysiewicz, Linda Pansczyk and Susan Thulin.

## Rainbow Girls Plan Big Week

By JENNY BEESE

Illinois Gov. Dan Walker has declared next week, June 20-26, Illinois Rainbow Girls Week and Antioch Assembly No. 23 is busy with plans and projects for each day of the week.

On Sunday, June 20, the girls will be attending First Church of Christ Scientist in Antioch.

Monday is our Father's Day picnic at Fox River Park in Wisconsin. We will have a cookout supper and games for the girls and their dads in the evening.

On Tuesday, we will be entertaining elderly people at the Rolling Meadows Nursing home. Singing, music and

recitations will be prepared for this day.

On Wednesday evening, there will be a membership party at the Masonic Temple, 885 Main St., Antioch. All girls interested in joining Rainbow, and who are around the age of 12 years, are invited to attend. The party begins at 7:30 p.m.

On Thursday evening the Rainbow girls will be serving refreshments after the Eastern Star meeting.

Friday has been designated "community service day." Pro-

ject plans are not definite as yet, but the girls may clean up one of the local parks.

Saturday, June 26, the last day of Rainbow Week, is our all-state picnic down at Lake Bloomington. Rainbow girls from all over Illinois will be attending.

This is the first year Rainbow has done something like this, and we at Antioch Assembly No. 23 hope you can become more aware of our assembly, and that our week in Rainbow can be a success.

## BARRY GOLDWATER

## Is United States Going Downhill?

By SEN. BARRY GOLDWATER

Sitting alone in my apartment one night not long ago, I listened to a steady hammering of radio news items - separately presented - that was downright frightening.

As I added what I was hearing to what I knew because of my position in the U.S. Senate and my association with government officials, I found myself saying, "What in hell has happened to my America?"

Trying to work this out in my mind I recalled that not too long ago columnist Joe Alsop, writing a tribute to his late brother, Stewart, quoted his brother as having once said to him, "You know, we were lucky to have been born in this country when we were, because I think we have seen America at its best."

HAVE WE actually reached that point? There is a very solid doubt in my mind, but in any case, probing for the answer to that question and the disturbing prospects it entails is of prime importance.

If I were inclined to agree that we have seen America at its

best, I think the events connected with Cambodia's seizure of the American merchant ship Mayaguez in May of 1975 would play an important role. Since our country had just suffered defeat in South Vietnam, all Americans - indeed, the entire world - waited to see what the President of the United States would do.

After a reasonable number of hours it became evident that neither diplomacy nor any other peaceful means would effect the release of the vessel; so President Ford put into action the only instrument of national policy left to him - the use of force. He dispatched marines, the navy, and planes for air cover to recover the Mayaguez, and this was speedily accomplished with an absolute minimum number of men killed or wounded.

The nation was overjoyed to realize that America had the leadership and the courage in that leadership to do what was necessary to protect American property and American lives.

AND YET, almost every day for weeks following that incident columnist after columnist, commentator after commentator, seemed to bemoan the fact that the United States had been the victor in the encounter.

I never dreamed as I was growing up in this country that I would live to see the day when any American would demean a successful action by its leadership. But I have seen it, as have millions of other Americans, and I believe I am safe in saying that they share my utter disgust with those whose obvious intent is to denigrate our country.

To my generation - and I'm

sure to all generations that preceded it - the whole idea that we might have seen America at its best is an almost inconceivable idea.

It is a haunting thought with just enough visible validity to make me shiver a little - even though the mere articulation of it runs smack-dab into the solid wall of my optimism about this country, its people, and their common strength.

## The Town Crier

You really missed a colorful and intriguing event if you weren't at the Allendale School in Lake Villa last Saturday for its Bicentennial event.

A highlight on the school's campus was the re-enactment of a Revolutionary War battle.

Experts on the war of 200 years ago drove about 80 miles from the Lockport and Joliet areas to stage the demonstration, wearing authentic costumes and firing blanks from the muskets, small cannons and other weapons of that era.

The British Redcoats were marching on the lawn and the American Minutemen were firing from a clump of trees.

A British lieutenant was "hit" in the leg by an American bullet and was removed limping with the help of a comrade. Loud gun and artillery shots shattered the air and another Redcoat fell "dead." Then a Minuteman was "shot down."

As a finale, the British fixed their bayonets and charged the clump of trees. A minuteman fired one shot and four more Redcoats fell "dead."

No wonder we won that war. We killed four British with every bullet.

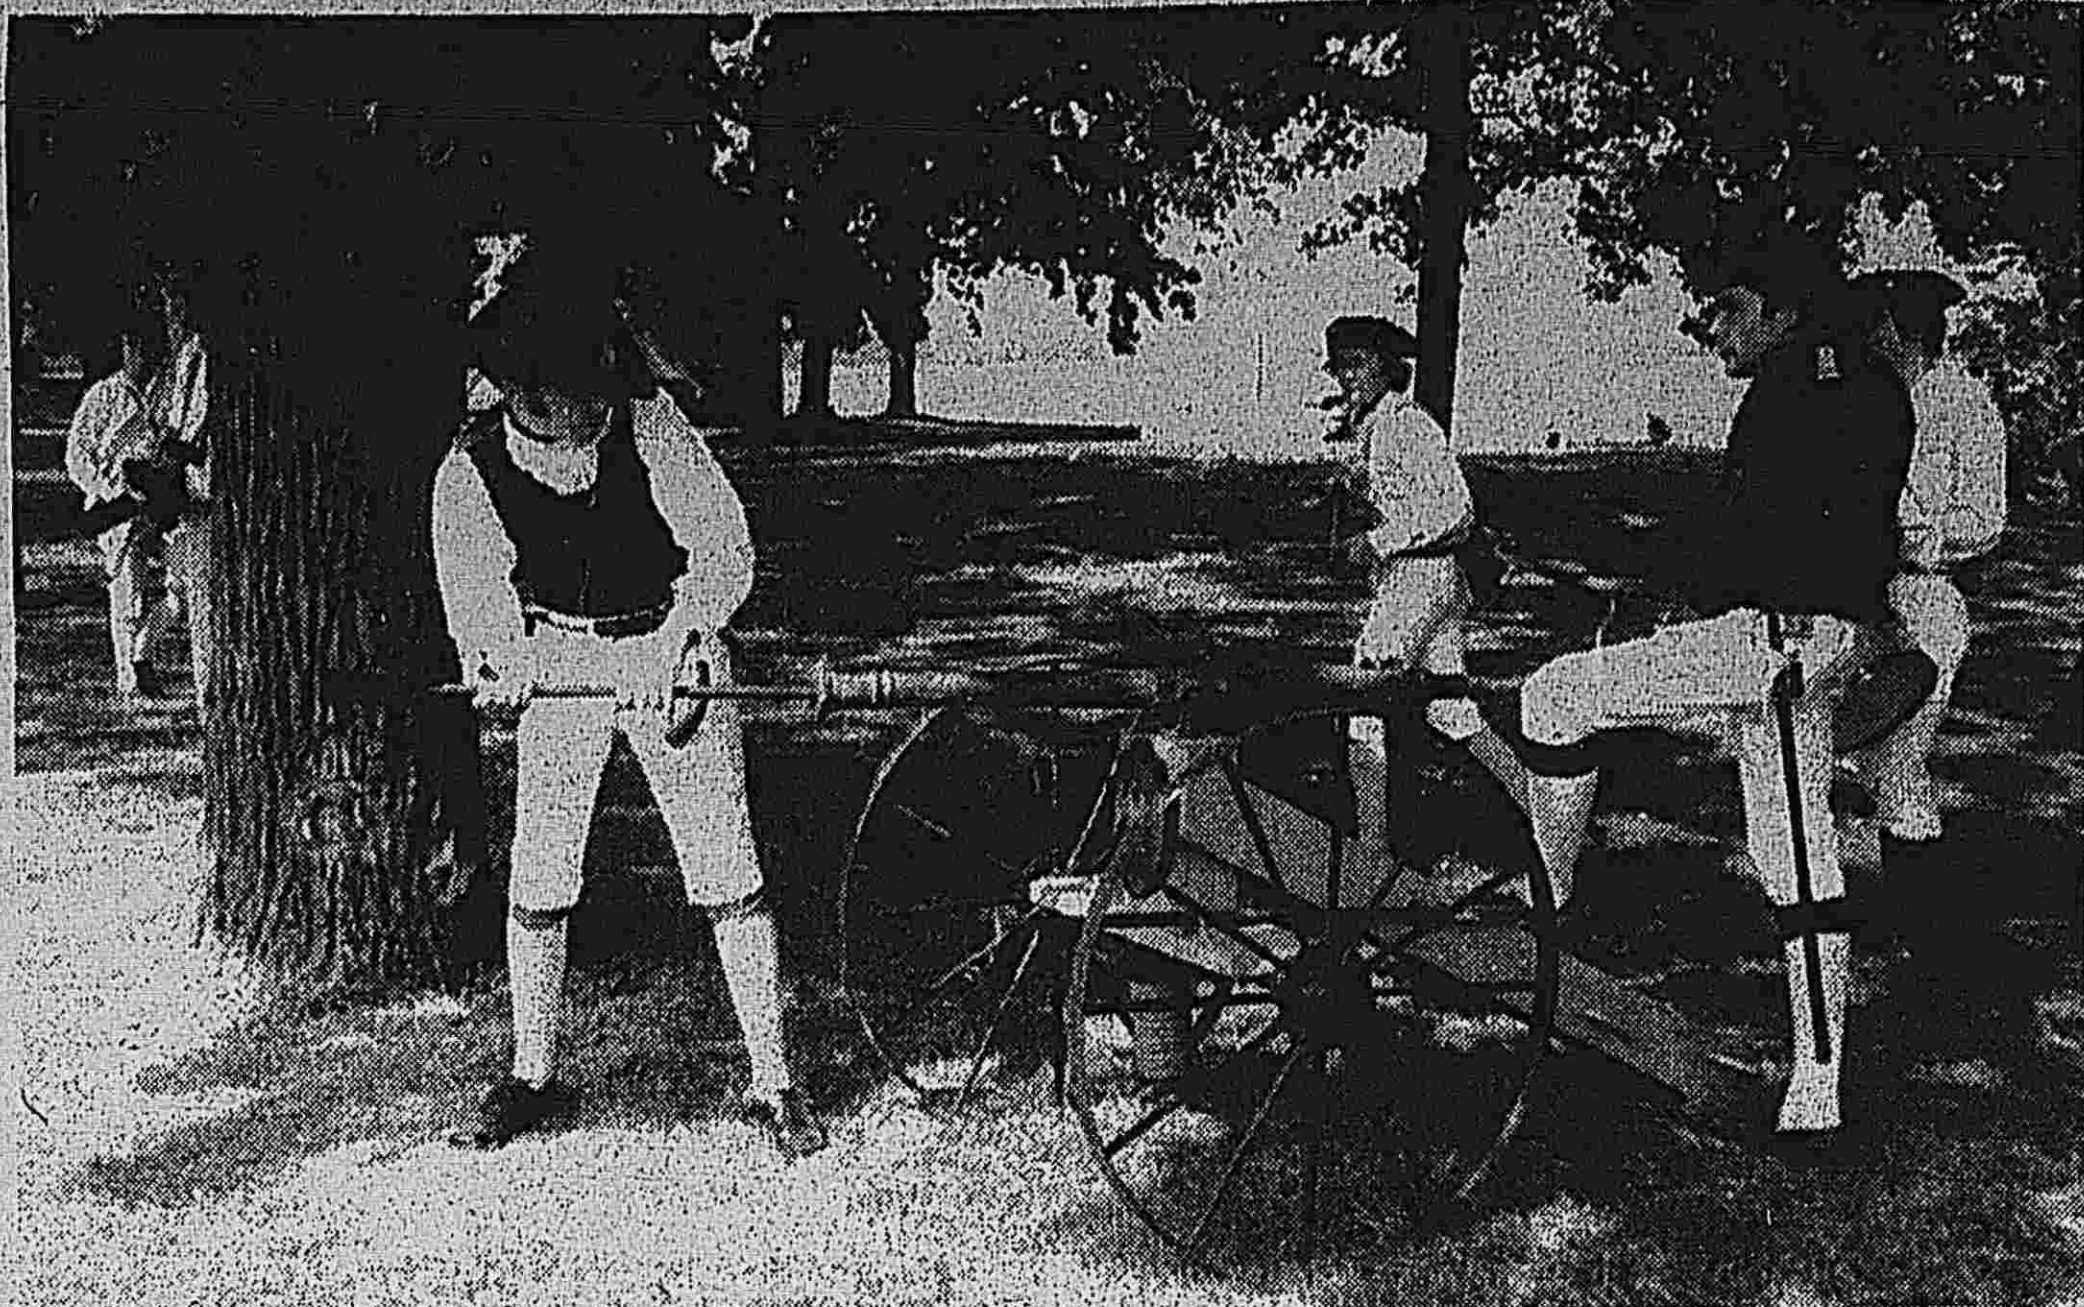

THINGS WE wouldn't know if we didn't open all the "junk mail" heaped on our desk.

From the Amateur Softball Association of America:

At present, 26 million men, women and children in the United States are playing softball.

The National Softball Hall of Fame is in Oklahoma City. Fifty-five men and women have been inducted. (So far, no one

Please turn to page 11

AMERICAN "MINUTEMEN" loaded their artillery piece in the mock battle with the British Redcoats, a highlight of the open house at Lake Villa's Allendale School for Boys Saturday. The program included talks by officials of the Allendale school; flag raising by the Lake Villa

VFW; comments on the United States Bicentennial by William E. Brook, chairman of the Antioch Bicentennial Commission, and a presentation to Lake Villa on its diamond jubilee by Darrell Burr, one of the students.

## School Board Has Special Meeting

A special meeting was to be held last night (Tuesday) at 9 p.m. by the Antioch Grade School board of education in the Library Learning Center of the Upper Grade School.

The meeting was called for the purpose of consideration

### Cattleman Washington

George Washington was one of our nation's early cattle producers. He was continually experimenting to produce beef more efficiently. One notable experiment fattened cattle on different feeds to find the best and least expensive method of stall-feeding beef for market and his own table.

THE BRITISH REDCOATS marched onto the Allendale School campus Saturday to take part in the Bicentennial Open House. They came from Lockport, Ill., and were almost an exact replica of the 4th Regiment Afoot (also known as the King's Own Regiment) which came here 200 years ago "not to make war, but to keep the peace."

## Auto Death Hits Family 2nd Time

Richard E. (Ricky) Soffietti, 18, of 6 N. Peninsula Drive, Chesney Shores, Lake Villa, died early Wednesday morning, June 9, as the result of an auto-train accident.

Two years ago, in June of 1974, his 19-year-old brother, John E. Soffietti, was killed in an auto accident when his car left a rain-slicked Hy. 83 and hit a power pole near Hy. AH - north of Antioch in Kenosha County.

Richard was killed when the auto in which he was riding crashed into a boxcar of a Soo Line train at a crossing on Kenosha County road JF in Salem Township, not far from where his brother died.

The train was not moving at the time of the crash, set at 2:13 a.m. by the sheriff's office.

Thomas Murphy, 20, of 1902 Chesney Drive, Lake Villa, driver of the car in which Richard was riding, was taken to a Kenosha hospital in critical condition and died Saturday, three days after the accident.

Kenosha County authorities said a trainman saw the car lights and, standing on a boxcar that was in the path of the auto, waved a lantern to warn the driver.

The trainman said he stayed. Please turn to page 14

## The Town Crier

Continued from page 10 from Antioch.)

The first game of softball was played in 1887 at the Farragut Boat Club in Chicago. The first ball was a boxing glove and the first bat was an old broom.

Before acquiring the name softball in 1926, the game was played under a variety of names. Some of those were Mush Ball, Diamond Ball, Playground Ball, Kitten Ball, Pumpkin Ball, Recreation Ball, Big Ball, Twilight Ball, Army Ball, Indoor Ball and Lightning Ball.

All softballs and baseballs are hand-sewed. No machine in the world will stitch either ball.

A 12-inch softball requires 88 stitches and a baseball 108.

Softball will be played for the first time in the Pan-American Games in 1979.

The marathon record for the longest fast pitch softball game is 100 hours. Two teams in Grafton, Iowa, played that non-stop game in 1974.

## Meet Friday To Discuss Sr. Center

A meeting to prepare for the opening of a Senior Center in the Antioch area will be held Friday, 1:30 p.m. at the First National Bank, 485 Lake St.

All persons interested in a community center for senior citizens are invited to attend.

Efforts are underway to establish a center by August. The center would offer activities, health and educational services, good fellowship, and nutritional meals.

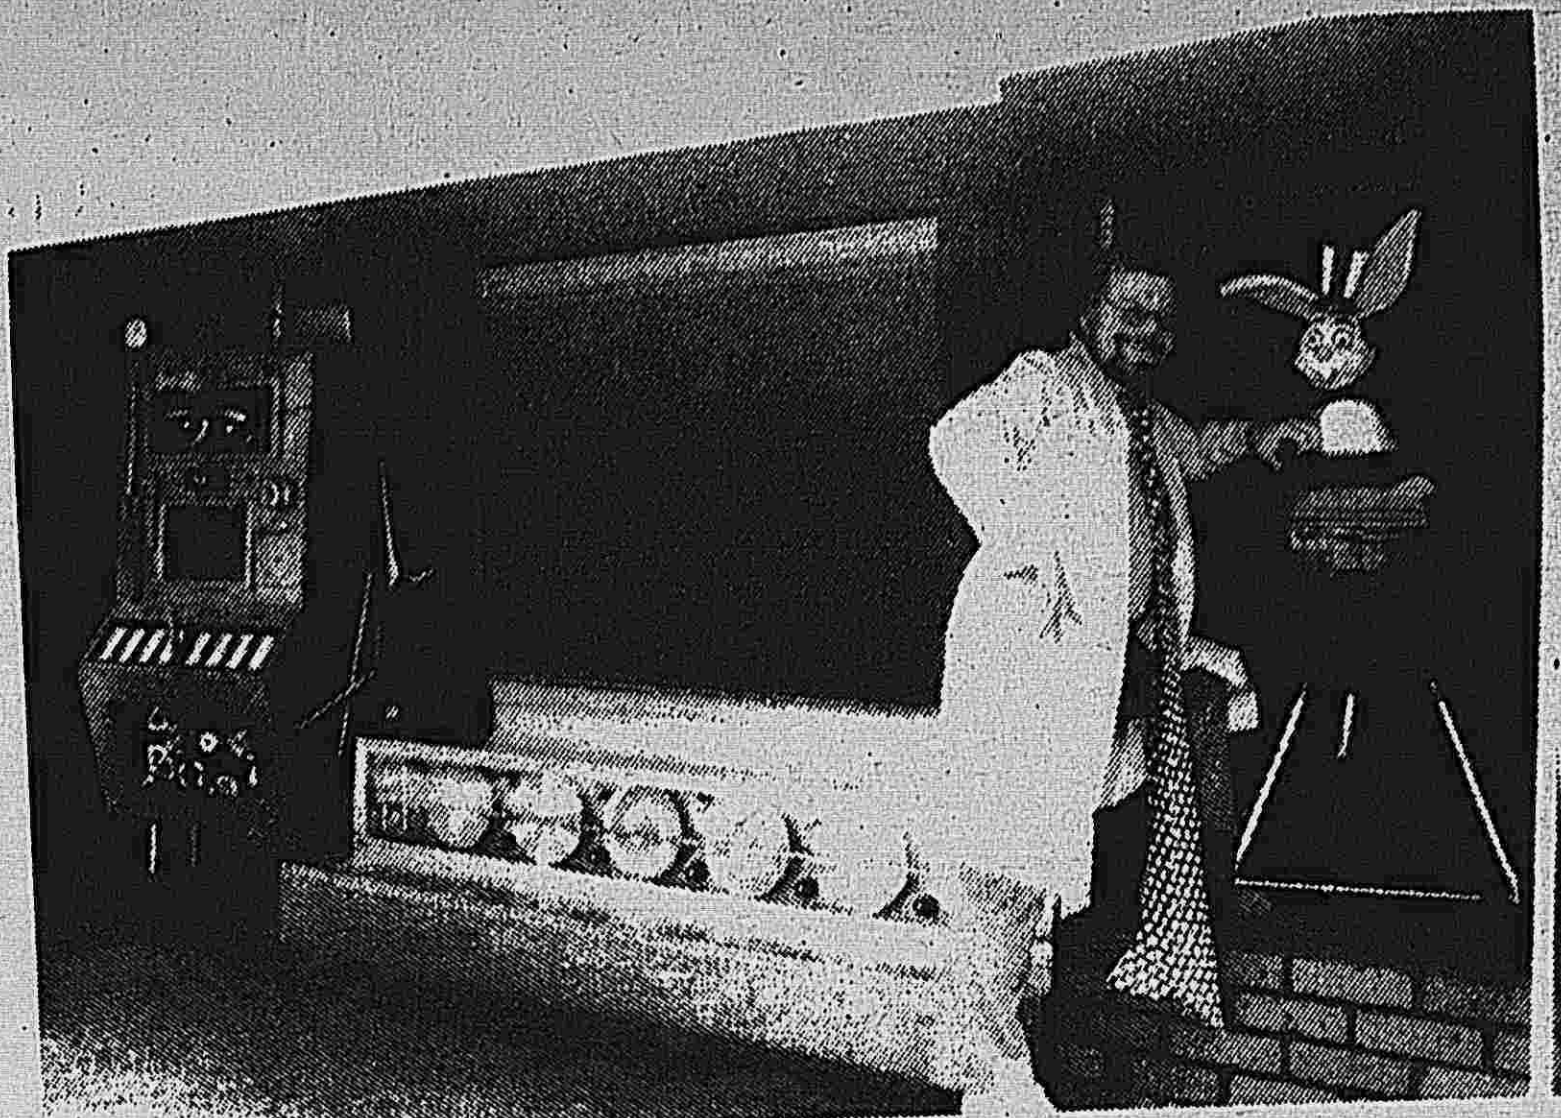

The center would be the sixth in Lake County to open since the fall of 1975, and would be sponsored by the Lake County Council for Seniors and Catholic Charities of Lake County.

For further information persons can call 244-2764.

## Watch Your Brakes!

If the brakes on your car are pulling or grabbing, have them checked. It could be caused by improper adjustment, leaking wheel cylinders, pinched lines, incorrect wheel alignment, or fluid-soaked or grease-contaminated linings.

INFLATION: "When one can live cheaper than two."

OFF ON A 6-WEEK TOUR are Ken Smouse, well-known local actor and teacher of dramatics at Antioch High School, and his son, Jerry. They will visit such cities as Chicago, Detroit and Indianapolis with "The Weber Kettle Bi-Centennial Time Machine." Mr. Smouse pantomimes the part of Professor Stephens, a humorous character who will delight audiences of all ages, especially children. Jerry, behind the screen, handles the puppet, "Weber Wabbit." The show is a fun-filled journey into the past, with history and little-known facts about the American flag.

## 'Lion in Winter' Ends Its Run This Weekend

Friday and Saturday nights are the last chances for theater-goers to see PM&L's last production of "Season 15." The dramatic comedy, "The Lion in Winter," is completing a successful run at the PM&L Theatre, 877 Main St., Antioch. Curtain time is 8:30 p.m.

The play by James Goldman is perhaps one of the most challenging dramas PM&L has undertaken. It is a difficult play for a community theatre group and director Tessa Smith picked a talented and exciting cast which reviewers say met the challenge with excellence.

Tom Hausman plays King Henry and Pat Jamison is Eleanor, his imprisoned Queen. The Quarreling sons who are fighting to succeed Henry as king are John Davis, Bob Junius and Mark Kettner. The king's lovely mistress is Martha Davis. Bruce Berger plays young King Phillip of France.

Persons can call 395-3055 for reservations. Some tickets also may be available at the door.

## Knights Plan Bicentennial Event June 27

Knights of Columbus councils in Lake County will sponsor a Bicentennial program at 10 a.m. on Sunday, June 27.

The event will be held in building 132 at the Veterans Hospital in Downey.

The theme of the Knights' patriotic event is "One Nation, Under God."

Officiating at a concelebrated mass will be Rt. Rev. Monsignor Koenig, representing John Cardinal Cody of Chicago.

Among those in charge of the program is Sam A. Lombardo of Antioch, navigator of the Bishop Quarter General Assembly 4th Degree of Lake County. He said that all members of the Knights of Columbus have been asked to bring their families.

## Astro- Analysis

By Sonia

**ARIES [March 21-April 19]** - Domestic affairs continue to require a good portion of your attention but don't neglect outside interests that afford a good source for entertainment.

**TAURUS [April 20-May 20]** - Consider yourself lucky as personal goals are easily attained. Work on getting ahead; self-interests should be your main concern now.

**GEMINI [May 21-June 21]** - Get an expert's advice about the brainstorm you may have. Ideas are good but try to remain rational and don't act too hastily.

**CANCER [June 22-July 21]** - As new interests and opportunity are sure to catch your attention try to be prepared for the right decision. Social functions can be demanding.

**LEO [July 22-August 21]** - Temporary ups and downs may cause you to show a temperamental side which friends and family don't understand. Don't take interruptions in present plans so seriously.

**VIRGO [August 22-September 22]** - Try to communicate with superiors and higher-ups about any problems you may have with employment. You can best further your career-interests by knowing exactly where you stand.

**LIBRA [September 23-October 22]** - You may need to consult with a professional about present financial matters; don't make a speculative plunge without another opinion.

**SCORPIO [October 23-November 21]** - Career plans may be temporarily delayed but use the opportunity to gather more insight into the situation. A good time to consider joining a study group.

**SAGITTARIUS [November 22-December 20]** - Leave the important decisions to mate or partner; you do better by maintaining a less aggressive pace. Tend to matters which include more planning than doing.

**CAPRICORN [December 21-January 20]** - Prepare your week with care so that there is ample time for entertainment and sports activities. Don't miss an opportunity to meet new people.

**AQUARIUS [January 21-February 19]** - Avoid the company of those who want to argue about your present lifestyle; the decision-making should be your prerogative so act accordingly.

**PISCES [February 20-March 20]** - A good health schedule is an important part to your present activities so don't neglect this facet. A good week to successfully incorporate both work and entertainment.

Where Our Customers Send Their Friends  
Service Is Best And Cars Cost Less

A string of fish swung lazily in the stream next to the boy on the bank as the game warden stopped. "Catch anything, son?" he asked. "Nope." "How about those fish on the string?" "Oh, I had to tie them up to keep them out of my bait can."

STATE BANK PHOTO-IDENT CARD was one of the subjects discussed during a tour of the State Bank of Antioch with third, fourth and fifth graders from Faith Lutheran School. Color photo with account information is laminated for State Bank checking account customers. Tom Kedzie, State Bank auditor, snapped a smiling Janice Van Patten, observed by, left to right, Mrs. Lousie Schmidt, Miss Terri Kemper, Wendy Massie, Robert Rentner, Dwight Krahn, Jodi Johnson and Tricia Baker. The comprehensive tour also included facilities such as the teller area, new account and loan offices, vault and safe deposit area, 24-hour cash dispensing machine and the bookkeeping department. Refreshments were served during a brief question and answer period following the tour.

## Auto Death

Continued from page 11

as long as he could and jumped to the side when he realized the car was not going to stop. He said the car was going about 55 miles an hour.

The trainman said the car slammed into the boxcar and wedged beneath it.

The Kenosha sheriff's office said there is a stop sign but no flasher lights at the crossing.

The victim's father has a law firm in Fox Lake. He is a former Fox Lake village attorney, having resigned last December.

Richard was born Sept. 22, 1957, in Waukegan and attended St. Bede's Grade School in Ingleside. He also attended Carmel High School in Mundelein, graduating with the class of 1975. He attended the College

of Lake County in Grayslake.

Survivors include his parents, John and Mary Soffiotti, of Chesney Shores; and one brother, David (Dee Dee) Soffiotti, of Channel Lake.

Funeral services were held at 12 noon last Saturday at St. Bede's Catholic Church, Ingleside. Entombment followed at Ascension Cemetery, Libertyville.

### FREE AND STRONG

"We can remember the past with flags and parades and fireworks as President Adams envisioned in the first summer of our independence, but to honor the past, we must hand this magnificent experiment in self-government on to future generations, free and strong."

—Gerald R. Ford

## Diet of Plastics Will Trim Cars

Plastics in the typical U.S. car will double by 1980 to "wring the weight out of our cars," according to General Motors President E. M. Estes.

He says the typical regular size car will shed 700 pounds, with larger models giving up as much as 1,000 pounds. Mr. Estes sees plastics accounting for a tenth of car weight by 1980.

## Flooding Problem Irks Lake Villa

By JOHN KREROWICZ

They say it takes two hands to handle a whopper, but those involved in Lake Villa's recurring flooding problem at Rt. 132 and Oak Knoll Dr. must all give a hand to rectify that situation - according to Mayor Ted Nielsen, corner businessman George Braddock, and Don Sherwood, owner of Sherwood Park.

The park faces the flooding intersection and often has sections underwater after heavy rains.

Cause of the flooding is uncertain, so the city asked Sherwood for permission to inspect the storm water tile running underneath Sherwood Park for possible damage or blockage. Sherwood's lawyers recently sent the village board a letter granting the permission if the city will forgo rights to any repairs needed on the tile.

MAYOR NIELSEN feels this would defeat the purpose of the inspection and added that the board doesn't understand Sher-

wood's condition because improved drainage would also help ease flooding in Sherwood Park.

Both Nielsen and Braddock, manager of the J and L gas station at the intersection, feel the state is also involved because rain water drains off state highway 132 and into the city's storm drains.

Braddock, who says he lost \$9,000 in business because rain flooded his station, says his main concern is with human life.

"WHAT IF a pregnant lady on the way to the hospital should have her car stalled?" Braddock posed. "We've had several cars in here (the station) because the water has stalled them." Oak Knoll Dr. has no other outlet.

Sherwood maintains the tile in question is not big enough to handle the storm rain in that area.

"If the tile under my property was broke," Sherwood explained, "you could fill in the

## Mrs. Ford's Recipe In Lodge Cookbook

By SHERENE JONES

Lakeside Lodge recently completed a "Historical Bicentennial Cookbook."

Ida Wysoglad incorporated the idea and presented it to the lodge.

Among the many recipes is one by Betty Ford, the President's wife.

The recipe follows:

### HAM, POTATOE BAKE

1 1/2 lb. sliced smoked ham.  
6 medium potatoes.  
2 large onions.  
1/2 cup flour.  
1/4 cup of milk.  
Paprika, salt, pepper to taste.

Place sliced ham in roasting pan. Over this place potatoes that have been sliced. Season them with spices. Sprinkle 1/2 cup of flour over this. Peel, slice and add 2 onions. Pour 1/4 cup of milk over all. Bake 1 1/2 hours at 350 degrees. Let stand 15

minutes before serving.

Mrs. Ford serves this dinner with cucumber salad and green beans garnished with sauteed almonds. For dessert, gelatin, combined with canned mixed fruit.

IDA SENT Mrs. Ford a copy of the cookbook and received the following letter:  
Dear Mrs. Wysoglad:

It was most kind of you and your colleagues to send Mrs. Ford the warmly inscribed copy of your Bicentennial edition cookbook. She is pleased that the book contains one of her recipes and is especially happy to have your compilation for her collection.

With Mrs. Ford's deep appreciation for your thoughtfulness, and with her warmest best wishes.

Sincerely yours,  
Mrs. John E. Downs  
Social Secretary

## Methodist Church Has 'Tuesday School'

The Antioch United Methodist Church has changed its church school schedule for the summer months, from now through Aug. 17.

During this time church school students, age 3 through the 6th grade, will meet on Tuesday rather than Sunday mornings from 9:30 to 11:30 a.m.

Students are encouraged to attend all Tuesday School sessions.

Many families will be vacationing or involved in other

activities during the summer months and the teachers have taken this into account, planning each session accordingly. Students will be welcome whenever they can attend.

Enrollment is open to all children of the community. There is a \$1 registration fee.

For further information or to register for Tuesday School, call the church office, 395-1259, or Martha Schmidt, 395-3819.

### The History of Father's Day

Fathers have a devoted daughter to thank for the fact that we now celebrate Father's Day on the third Sunday in June.

It was a Mrs. Dodd of Spokane, Washington, recalling the love and sacrifices of her own father, who initiated the idea of honoring Father with his own special day, early in this century.

Her father, William Smart, was a Civil War veteran and a widower, left to raise six children on a farm in eastern Washington state.

Mrs. Dodd was inspired by his example to suggest a Father's Day observance to her minister, and in turn to the Spokane Ministers Alliance. Writing to the ministers, Mrs. Dodd described the devotion of her own father and sparked the celebration on Father's Day every year.

- Cover a foam square with colorful burlap, add a supply of push pins, for a handy memo board for Dad's office.

- Spruce up Dad's den with a little redecorating — old maps can be used to paper a wall, paint can brighten up the rest of the room.

## DOMESTIC & INTERNATIONAL

## The ABC's of Travel

By BARB CORBIN

**CREDIT CARDS AND CAR RENTALS:** The time is here when many places of business will not take CASH.

Now that summer vacation time is here once again, I would like to remind young and old alike about the above. We so often take small town ways for granted and don't really appreciate what we have at our fingertips as far as services go. I personally can speak with world-wide travel authority on this.

**WE CONSTANTLY** get people coming in to make travel arrangements which involves an auto rental. In some locations of the U.S., it is impossible to rent an auto without a major credit card. Also many young people take it for granted that they have a driver's license at the age of 16 and an auto. When it comes time for vacation or even a honeymoon, if a male is under 25 without a major credit card it is impossible. With the females it is 21 years of age.

It is almost hopeless to obtain an auto under the age of 21 (female or male). For this

BARB CORBIN

reason, I ask all to apply for some type of credit, even if you don't use the credit card; it is needed for identification. Our insurance laws and type of

economy has brought us into a credit card way of living and identification. I know it is hard to accept for I was also brought up to not buy anything unless you can pay cash for it. Guess those days are gone for a while.

I CAN'T emphasize enough how important this is. So often young people leave the office in great disappointment because they can't take the vacation they wanted. To obtain a major credit card, go through your local bank; however this can take a month or more. I do hope your vacation isn't just around the corner and you are in this category.

Our business isn't just writing tickets, it is also service. When in doubt give us a call. A little mistake on your part can be quite costly.

Happy vacation time.

## Waukegan Track's Schedule Includes Lots of Features

News of a near-by tornado and heavy rain at the Waukegan Speedway Sunday night after eight races were run forced postponement of the hobby and modified features until next week.

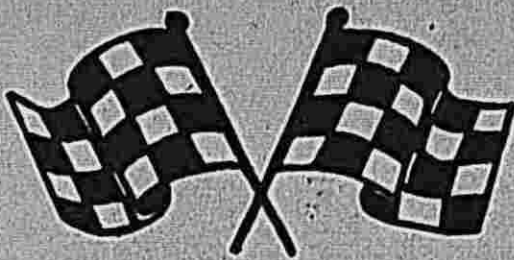

The postponement, combined with promoter Godon Sill's earlier announcement of the addition of mini-Indy cars to next Sunday's Father's Day program, will mean five feature races next Sunday.

In addition to the super-modified 25-lap feature, which will be run at 8 p.m., and the rain-delayed hobby feature, there will be a regular 25-lap modified feature, another hobby feature and a feature for the mini-Indy cars.

A powder puff derby for the gals in hobby cars is also slated and Sunday is also the practice date for several of the midget autos which will be racing at Waukegan Friday night, July 2.

Ken Monroe of Pell Lake was the big winner Sunday night in the super-modified action. Monroe set fast time and then won the first heat race.

Ron Bergsma of Richmond

also was a double winner in the modified class taking the opening 6-lap dash and then returning to barely edge Ron Marish at the checkered in the second heat.

Joe Hellyer of Crystal Lake set fast time for the mini-Indy cars with a 14.92-second lap as a group of the cars practiced for next Sunday's special.

Motorcycle motocross racing returns to the Waukegan infield Friday night with a special pre-Father's Day late model card, including a 50-lap main event and "Beat-Your-Neighbor" contests on Saturday night.

Sunday's program may be one of the largest cards ever run at Waukegan as a result of Sunday's postponement mid-way through the race. Rain checks from Sunday's races are voided as the drivers were paid

for the races they completed.

PHIL MASS of Round Lake showed he was still on a hot streak Saturday night at the Waukegan Speedway by beating veteran Ray Young in the 30-lap late model feature.

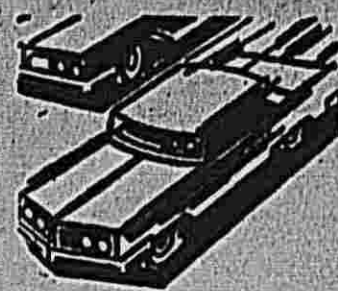

It was the second career feature win for the 26-year-old Lake County driver, who also won last Saturday at Waukegan. Mass set fast time and won the second heat race.

The late model feature was stopped in the tenth lap by a three car pile-up in the pit turn, triggered by Hal Davis who spun in his own oil from a leaking rear axle seal.

Saturday night the rain-delayed 12th annual Memorial Day Classic 50-lap championship, originally slated May 30, will be run. Bob Dotter, who was racing in Missouri last weekend, is expected back in the action to challenge Mass, Young and the rest of the field.

The motocross racing will continue every Friday night at Waukegan with practice at 5:30 p.m. and the first moto at 6:30. One exception will be Friday night, July 2, when a special midget auto program is scheduled for the paved quarter-mile.

## Close Finish At Raceway

Dave Watson, Milton, Wis., missing from late model stock car racing at Lake Geneva Raceway the previous Saturday night, was back and won the 30-lap feature over Tom Jones, Northbrook, last Saturday.

The finish was close with Jones only a car length back and pressuring Watson on the final laps.

Earlier Watson had lowered his own one-lap qualifying record with a time of 16.54. His old record, 16.73 seconds, had been set Apr. 17.

Jones was headed for the front in the feature but made just one small slip that let Watson get by.

Champion Al Schill, Franklin, arrived after time trials were completed and had to start in the back of the 15-lap, semi-feature which he easily won over Russ Grossen.

Jim Morse, Lake Geneva, won the feature for sportsman stock cars after favored drivers Roger Meyer, Bart Reinen and Terry Blakeley were in an accident with the cars of Meyer and Reinen damaged. They could not return to action.

Meyer, the defending champion of the sportsman stock cars, was taken to Lakeland Hospital in Elkhorn for observation and then released.

IT WAS 12 years in coming but Ken Monroe, Pell Lake, a dedicated driver of the super-modifieds, won his first feature race Friday night in the second week of the new-two track SMAC series of super-modified

stock car racing at Lake Geneva Raceway.

Monroe had set fast time the previous Friday night when the series opened and won the champions' challenge dash. Last Friday he was the third fastest qualifier and moved quickly from the back to take the lead early in a heat race and set the scene for his feature race win.

He had to overcome another champions' challenge as Dick Colburn, Muskego, also looking for his first feature win on an asphalt track, was an early leader.

Pop Kline, Genoa City, and Carl Salyers, Zion, collided, causing Salyers to lose a left front wheel and hub. Bill Klein, Burlington, lost an engine and dumped oil.

Monroe then lost little time in moving ahead and finished two car-lengths in front of Bob Robel, Oconomowoc, who had set fast time at 16.65 seconds for the field of 22 super-modifieds.

A group of mini-Indy cars, introduced in the area at the Lake Geneva Raceway on May 8, also competed with the feature win going to fast time qualifier Delmar Uphoff, Cottage Grove, Wis.

The mini-Indy cars will continue to race on the same program with the super-modifieds and spectator stocks each Friday at the Raceway with the exception of July 23.

## Lake Villa

Continued from page 14

land-gap it would make with a load of dirt. I walked the whole way and found nothing."

SHERWOOD FEELS a three-foot tile running under Rt. 132 to Deep Lake should be installed as well as construction of another outlet for Oak Knoll Dr. to eliminate flooding and emergency exit problems.

Concerning his refusal to allow the city to make repairs should tile damage be discovered, Sherwood said he didn't want the city to condemn the property.

"I don't want them to have

any rights to this property," Sherwood said.

Asked if he would discuss the matter with the mayor and the board if they were to arrange a meeting, Sherwood replied, "Why not?"

"But I haven't seen any of them at all in the past few months," Sherwood added.

Nielsen indicated that a temporary solution involving reconstruction of an old wet well and force main lines along Oak Knoll is a possibility at \$25,000.

"We can't go on with the situation as it is," Nielsen stated. "We need an alternate way of getting water out of there."

## FACTS & FIGURES

When did baseball begin? Historians of the sport say it had its origins in a game called "rounders" which was played in England as early as 1744.

In Army tests, it was learned that Bob Feller (Cleveland Indians) threw a

pitch which traveled at a speed of 98.6 miles per hour, as it crossed the plate. This makes him the fastest pitcher in baseball.

Chosen to play in every All-Star game since 1965, Cincinnati's Pete Rose (who boasts 1,329 runs in 2,022 games!) can now be seen in advertisements for Aqua Velva Ice Blue After Shave.

Mickey Mantle of the once-unbeatable New York Yankees hit the longest homer in history — 565 feet in 1953.

### Frog Season

Frog season is now here. The season began June 15 and will end on August 31. The 77-day season has a daily limit and possession limit of eight. Prospective frog hunters should be aware of the fact that it is unlawful to take frogs by using firearms or airguns.

## We Cover the Waterfront

As far as we know, State Farm insures more pleasure boats than any other company. And for good reasons. We offer complete coverage, fast claim service, low rates and a wide range of premium discounts. For all the details, call or come in.

## Antioch Racers Are 1st, 2nd, at Wilmot

Antioch drivers finished first and second in the 12-lap, semi-feature race for sportsman cars Saturday night at the Kenosha County Speedway at Wilmot.

John Dost was the winner and Monty Lowery placed second.

Tom Homan of Antioch currently ranks sixth in season point standings in the sportsman class.

IT SEEMED to be the weekend of "first time feature race winners" as Gene Pennington, Waukegan, was only three laps from getting the checkered flag in what would have been his first feature win in super modified stock car racing. The previous night it had happened for Ken Monroe, Pell Lake, at the Lake Geneva Raceway.

Saturday, however, at Wilmot, Pennington spun out and

the win went to Mike McNulty, Racine, the first for him in five years of driving.

McNulty also set fast time and drove all the way from the back of the 18-car field, picking off car after car. He even moved past defending champion Dick Colburn, Muskego, and then stayed ahead on the final two laps of the 25-lap feature to take the checkered flag by only two car lengths ahead of Colburn.

A four car tangle on the first lap between Ron Marish, Milwaukee; John Tirney, Lake Villa; Monroe and Darrel Dodd, Waukegan, caused a red flag and a complete restart.

The track was hard and slick, which McNulty felt helped his car. For Pennington, he only blamed himself and said he just drove too hard into the turn and lost it. He recovered to finish seventh.

## Surprise Dad with 'No-Nonsense' Gift

Whether Dad is a fishing nut, gardening fan or even the house gourmet chef, he's bound to have a corner "all his own" in the garage, basement or even kitchen where he stashes his tools and equipment. To keep this area and the entire home safe, Gillette recommends giving Dad a strictly no-nonsense gift on Father's Day — a new Captain Kelly heavy-duty fire extinguisher.

Since Dad is the "keeper of the house" and prides himself as protector of the family, he'll be delighted to receive a gift that he knows he can rely on in case of a home fire. The Captain Kelly fire extinguisher is the all-purpose extinguisher, designed to smother all types of household fires including grease, electrical, oil, gasoline and wood fires. It's attractive, convenient, and comes complete with a sturdy wall bracket so Dad can hang it on any wall of the house.

According to Don

O'Brien, fire safety consultant to The Gillette Company, an estimated 5.6 million fires occur nationwide each year, with over 3 million of those occurring in single-family homes. And almost three-quarters of them are discovered when they first start — in time to do something about them, providing you have the proper fire-fighting equipment. In the event of a home fire, O'Brien recommends having a reliable fire extinguisher, or even two, in easy-to-reach places in your home.

So if you're trying to think of something different this year to give Dad on his special day, give him a present that he'll really appreciate — a Captain Kelly Heavy-Duty Dry Chemical Fire Extinguisher. Unlike most gifts he'll receive, he may never have the opportunity to use it — but he'll feel secure in knowing that he can protect his family and home in the event of fire.

## Rockford Driver Stars at Geneva

Wayne Lensing, Rockford, point leader at the Rockford Speedway, won the 25-lap, All-American late model sportsman stock car feature race at the Lake Geneva Raceway Sunday night.

His win came by nearly a full

half-lap over the rest of the field but in second place fans saw a track battle that was worth the entire evening.

Racing for second spot throughout the entire distance was Terry Blakeley, Lake Geneva, and Jerry Straube, Waterford, with Blakeley winning the second spot at the checkered flag. Dick Kath, South Beloit and Chuck Ostergaard, Bristol, rounded out the top five.

John Baumeister, Burlington, set fast time and a new record

for these cars at 18 seconds flat and then blew an engine in the feature event.

Heat race winners were Russ Quirin, Darien; Dave Zilmer, Silver Lake; Larry Leach, Elkhorn, and Straube. The 15-lap semi-feature win went to Don Rohde, Lindenhurst, over Quirin and Leach.

The spectator stock car feature took an officials decision to declare a winner because the cars were so even at the end. The winner was Bob Whitey over Dave Nicoson.

## A Gift that Shows You Really Care

The best gift you can give Dad this Father's Day is one that will encourage him to exercise, if he's not already an exercise enthusiast.

Chances are, he comes home tired out from a day at the office or at the store, simply because he's been sitting or standing a long time, say experts.

Walking gets the blood circulating again, so encourage him to take that after-dinner walk . . . perhaps you can gift him with an appealing canine friend that will accompany on his constitutional!

If Dad's not the type for a leisurely walk, consider presenting him with a bicycle exerciser that he can pedal while he's watching his favorite TV programs; or, a slant board will really shape him up.

Most department stores carry several exercising aids, including the new pulley-type portable gadgets.

★★★

The most valuable treasure ever found was one discovered in England in 1966 of more than 1,200 antique gold coins worth more than \$1,400,000.

## Who Is the Antioch Area's Best Golfer?

Antioch will crown its own true golf champion on Sunday, Aug. 29.

That's when the final 18 holes of the first annual Antioch Open will be played at Antioch Country Club.

The 36-hole tournament will begin with 18 holes on Sunday, Aug. 22, also at the Country Club.

All of Antioch's competitive players are being urged to enter

according to their scores in the opening round.

The committee will meet this Friday to discuss rules and other details. It includes Pres Reckers, Jack Fields, Rich Higgins, Mike Haley, Jerry Pfarr and Nick Marucci, the new pro at Antioch Country Club. The Country Club and the Antioch News are co-sponsoring the event. Sunday, Sept. 12, will be reserved as a rain date.

It will be a scratch tournament with no handicaps, and trophies and prizes will be awarded to the best players.

There will be competition in three divisions:

- The Championship Flight, for players who normally shoot in the 70s for 18 holes.

- The class A Flight for golfers who shoot in the 80s.

- Class B Flight for golfers who normally score in the 90s or higher.

The championship tournament will be the first of its kind in the Antioch area in many years.

It will be open to anyone living or working in Antioch and Lake Villa townships.

Everybody is aware that Hank Aaron is now the all-time home run leader. But what you may not know, Hank started out in softball and not baseball. The school Aaron went to as a boy didn't play baseball but did play softball.

A lot of people  
throw the  
shopping guides  
away  
but they read

The Antioch News

"Be Americans. Let there be no sectionalism, no North, South, East or West: You are all dependent one on another and should be one in union. In one word, be a nation: be Americans, and be true to yourselves."

George Washington

## Zitkus Fans 16 for Antioch Legion Team

Southpaw Dave Zitkus struck out 16 batters and gave only four hits as Antioch's American Legion baseball team evened its District Division record at 1-1 with an 11-3 win over visiting Round Lake last Wednesday.

Ground rule doubles were hit by Tom McAvoy, Craig Sonnechsen, Randy Hillbert, Bob Jungkans and Jerry Kriger, all of Antioch.

## people in the news

ALICE MacKINLAY, a 102-year-old woman, came to the Chicago Field Museum of Natural History hoping to find a safe repository for one of her last treasures. Her visiting niece, Dorothy Miller of St. Louis, helped the elderly lady to the third-floor office of the museum's department of geology. There, Miss MacKinlay presented the museum with two gold ore specimens given to her in 1885. In a soft voice, she stated, "I'm 102 years old ... I want to give these to someone who will take care of them ..."

The specimens had been wrapped meticulously in an old linen handkerchief and placed in a small tin box. There also was an envelope entitled, "My gold specimens." On it, she had written: "From the Cripple Creek area of Colorado ... value \$3.00" The museum values the gold in the specimen at approximately \$30.

(EDITORS NOTE: Miss MacKinlay attributes her longevity to never marrying, nor having to get up early in the mornings to fix a husband breakfast.)

## Antioch Freshmen Had 15-7 Record

By COACH MARK GUTHRIE

The Antioch freshman baseball team recently completed a successful season with a 15-7 overall record and 12-6 conference finish.

The young Sequoits played offensive baseball. In 22 ball games they were never shut-out, as they averaged 6 runs on 11 hits and 5 stolen bases per game.

Seven times they scored more than 10 runs in one game and three times beat their opponents by 10 or more runs.

In one doubleheader they scored 38 runs and they finished the season with a team batting average of .382. Poor base-running did cost several runs that may have determined ball games.

Defensively, the Sequoits received solid pitching from M.V.P. Scott Schroeder, who posted a 9-2 record with a 2.2 earned run average.

Schroeder, averaging almost 9 strikeouts per game, panned 23 batters in his last two appearances and closed out the '76 season against Stevenson by striking out 7 of the last 8 batters to win 6-1.

Team captain Chuck Gleason shared the pitching chores with Schroeder. Chuck posted a 5-2 record, including 8 relief appearances. Scott Leland finished with a 1-1 record including a 1 hit, 12 strikeout performance against Grant.

Antioch's infield was one of the finest in the league, completing 4 double plays. Mike Wench played a solid third

base and batted .323 including 13 R.B.I.s. Chuck Gleason and Rod Inman filled the shortstop area. Gleason batted .458 and led the team in hits and stolen bases.

Rob Nauman and Ted Poulos, who batted .393, played second base, and Charlie Schreiber, voted most valuable player, performed dependably at first base, while hitting .375.

Solid catching was provided by Greg Bodin and Scott Gallagher. Gallagher proved very effective, batting .470 and throwing out several base runners.

Although some costly errors were committed in the outfield, some extremely fine defense and hustle was also displayed. Included in the outfield were Mike Lischewski, who batted a team leading .471, and Dan Crichton and Greg Bodin, who batted .396 and .388 respectively.

All of the athletes played with enthusiasm and should provide Antioch with great baseball in the future. My first season as freshman coach was shared with a fine group of young men.

## OUR FLAG

### Historical Highlights

#### SYMBOLS OF STRUGGLE

The first flags adopted by our Colonial forefathers were symbolic of their struggles with the wilderness of a new land, according to the U.S. Marine Corps Reserve. Beavers, pine trees, rattlesnakes, anchors, and various like insignia with mottoes such as "Hope," "Liberty," "Appeal to Heaven" or "Don't

Tread on Me" were affixed to the different banners of Colonial America.

"Health is better than wealth." English proverb

## Worried sick about bills?

Unpaid bills make it tough to rest and recover from an illness or injury.

That's why most people have insurance that helps pay their medical bills. But what about the other bills that pile up when you're out of work—like the mortgage and utilities?

When you can't work, keep a monthly check coming in with disability income insurance from Country Life.

Ask your Country Companies agent about the best plan for you.

### LEGAL IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL COURT LAKE COUNTY, ILLINOIS PROBATE DIVISION

**IN THE MATTER OF THE PROBATE OF THE WILL OF MARIA F. LATAL, Deceased** File No. 76P-360.

**PUBLIC NOTICE** is hereby given to the persons herein named and all whom it may concern that an instrument purporting to be the last Will of MARIA F. LATAL deceased, has been filed in the office of the Clerk of the Circuit Court of Lake County, in the State of Illinois, together with the petition of Gerald T. McKeique representing among other things that the names of all the heirs-at-law, devisees and the legatees of said deceased are as follows:

Agnes M. Gilbert  
James McKeique  
John McKeique  
Margaret Brewer  
Mary C. Brown  
Joseph McKeique Address Unknown

**Possible Unknown Heirs** and praying that probate of said alleged Will be granted and that letters testamentary thereon may be granted to Gerald T. McKeique, and that said instrument will be offered for probate and a hearing had on said petition by said Circuit Court, Probate division on the 13th day of July A.D. 1976 at 1:30 P.M. of said day in the room usually occupied by said court in the County Court House in the City of Waukegan, in said County, when and where you can appear, if you see fit, and show cause, if any you have, why said will should not be admitted to probate.

Dated at Waukegan, Illinois, this 3rd day of June A.D. 1976.

### TRUSTEES' REPORT

Continued from page 21

I, CHARLES R. ATWOOD, Secretary and Treasurer of the First Fire Protection District of Antioch Township, Lake County, Illinois, do hereby solemnly swear that the above and foregoing report contains a full and true statement of all monies belonging to the First Fire Protection District received by us, and of all disbursements made on account thereof, during the period from May 1, 1975, to April 30, 1976, inclusive, to the best of my knowledge, information and belief.

*Charles R. Atwood*

Subscribed and Sworn to before me  
this 10th day of May, A.D., 1976.

MARK J. MCKINNEY  
Notary Public

June 16, 1976

More timely warnings above the din:

"One day people will have to fight noise as implacably as cholera and the plague."

-Dr. Robert Koch (1910)

"Noise is almost everywhere ... and it is getting louder. The level in cities may be rising one decibel each year."

-Mark Schwartz  
secretary, Soil and Health Foundation  
Emmaus, Pennsylvania

"Calling noise a nuisance is like calling smog an inconvenience. Noise must be considered a hazard to the health of people everywhere."

-William H. Stewart  
former U.S. Surgeon General

"Research into the effects on hearing of large doses of loud noise suggests that modern pop music very probably makes the listener deaf in the long run."

-Adrian Hope in New Scientist

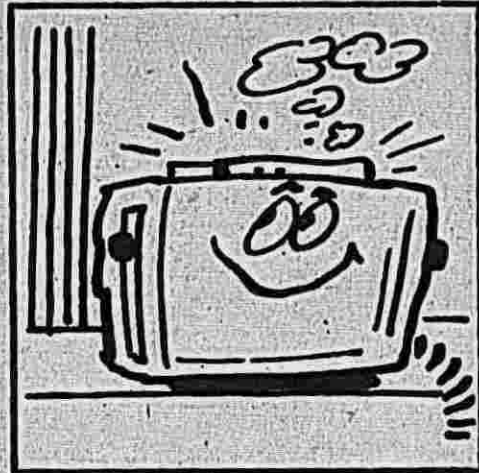

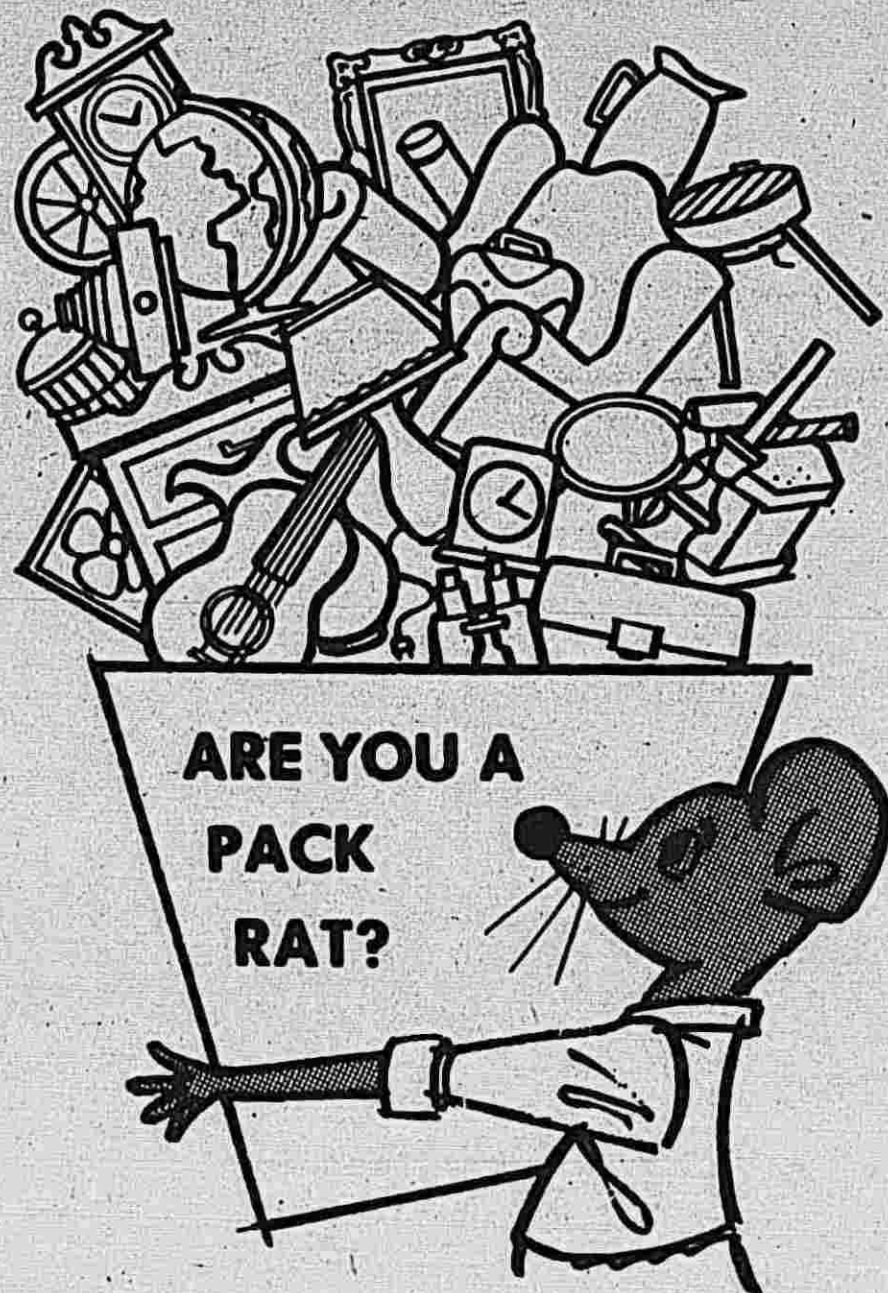

**HIGHWAY TO HISTORY.** Chesapeake Bay Bridge-Tunnel spans waters where French fleet routed the British in 1781, helping to defeat Cornwallis at nearby Yorktown. Modern 17 1/4-mile-long complex goes over and under mouth of Bay between Virginia Beach and Virginia's Eastern Shore.

The hottest planet in our solar system appears to be Venus. A space probe discovered a surface temperature there of 885°F.

Resistance to the passage of an electric current produces heat. This energy change produces heat in electrical appliances such as the iron and toaster.

## Casual Fashions Will Please Your Dad on His Day

If you're wondering about a gift that's right in fashion for Dad, yet isn't expensive, here's a tip from the forecasters: men's fashions are becoming less and less formal as time goes by.

Sportswear separates are increasing in popularity with men, especially those separates that mix and match.

Active sportswear is sure to please the Dad who golfs or plays tennis, and statistics indicate that this number is increasing all the time.

Short-sleeved pullover shirts, newly tapered, are good selections for a Dad's separates wardrobe, as are the popular western shirts.

For relaxing around the house, gift Dad with one of the new ethnic pullover shirts; these are also great for beach or poolside wear.

Silky-fabric shirts are perfect "dress-up" looks that are still comfortably casual, so choose one of these in a smart new print for Dad.

For the really active Dad, a snazzy warm-up suit will let him jog or work-out in style.

Gift the biker with neat new pocketed shorts and a packable nylon jacket; but if boating's his hobby, Dad will prefer the latest sailing overalls and jacket.

For that special gift, a soft leather jacket will top off Dad's favorite separates beautifully, and of course, there's the leisure suit, still popular for its coordinated-but-relaxed look.

You'll be sure to please Dad with a gift that's in fashion and that's casual, too.

### More Gift Ideas:

- If he's a sports buff, gift him with a subscription to his favorite sports magazine, for year-long enjoyment.
- Your local stationery store may be able to make up a personalized stamp with Dad's name and address for correspondence, paying bills.

## OBITUARIES

### Guy S. Beyer Dies In Auto Accident

Mr. Guy Steven Beyer, 28, of Felters Subdivision near Antioch, passed away on Friday, June 11 from injuries received in an automobile accident.

Mr. Beyer's car rolled down a hill near Genoa City, Wis.

He was born March 10, 1948 in Waukegan and had lived most of his life in the Antioch area. Mr. Beyer had been employed as a mechanic by International Harvester in Libertyville, and was a member of Local No. 1643 of the U.A.W.

He married LaVonne Kaatz on Feb. 15, 1969 in Waukegan.

Survivors are his wife, LaVonne, two sons, David and Daniel (at home) his parents,

Clarence and Margaret Beyer of Herron, his maternal grandfather, Robert Mandel of Ingleside, six brothers, Clarence of Herron, Steven of Lake Villa, Darwin of Herron, Glen of Herron, Dean of Herron, and Hal of Herron, four sisters, Mrs. Linda (James) Davis of Lake Villa, Mrs. Loretta (Walter) Peters of Ingleside, Mrs. Carol (Paul) Crawford of Fox Lake, and Miss Dawn Beyer of Herron.

Private funeral services were held at Highland Memorial Park Cemetery, on Tuesday with interment in that cemetery. Arrangements made by Strang Funeral Home at Antioch.

### Earl Fahrner Dies in Chicago

Earl Andrew Fahrner, 69, of Rt. 4, Antioch, died June 8 at Veterans Administration Hospital, Chicago.

Mr. Fahrner was born in Chicago July 24, 1906. He was a member of St. Peter's Church, Antioch, and was a retired veteran of World War II.

He is survived by his mother, Elizabeth (Fahrner) Smith who remarried. He is also survived by two brothers, Clarence Fahrner, of Antioch, and Arthur Smith, of Woodridge. He was preceded in death by his father, Andrew Fahrner, and a brother, Edward.

Funeral services were held Friday at St. Peter's Church. Interment was in Fairmont Cemetery, Willow Springs, Ill. Barr Funeral Home, Colonial Chapel, 532 Lake Street, Antioch handled funeral arrangements.

### BICENTENNIAL BRIEFS

**GEORGE WASHINGTON** PIONEERED THE ARMY'S ROLE IN MEDICINE WHEN HE ORDERED THE ENTIRE CONTINENTAL ARMY INOCULATED AGAINST THE DREADED DISEASE, SMALLPOX!

### 'Betty' Pierce Died Last Week

Mrs. Lyla "Betty" Pierce, 68, of 998 Main St., Antioch, was pronounced dead last Thursday, but had been last heard of on Tuesday of last week.

She was born Dec. 18, 1907, in Minnesota. She was a domestic worker by occupation.

She was preceded in death by her husband, Leonard E. Pierce, in 1952. Mrs. Pierce has no known relatives that survive.

Funeral services were held Friday at the Strang Funeral Home in Antioch. A visitation was held before service time. Interment was in Mt. Emblem cemetery in Elmhurst.

### Woman Born In Lake Villa Dies at 85

Mrs. Mary L. "Mae" Eberler, 85, of St. Petersburg, Fla. passed away on June 8.

She was born March 2, 1891, in Lake Villa, and moved to Chicago in 1915, then to Grayslake for two years, and has lived in St. Petersburg since 1958.

Survivors include her husband, Joseph A. Eberler of St. Petersburg, two sisters and several nieces and nephews.

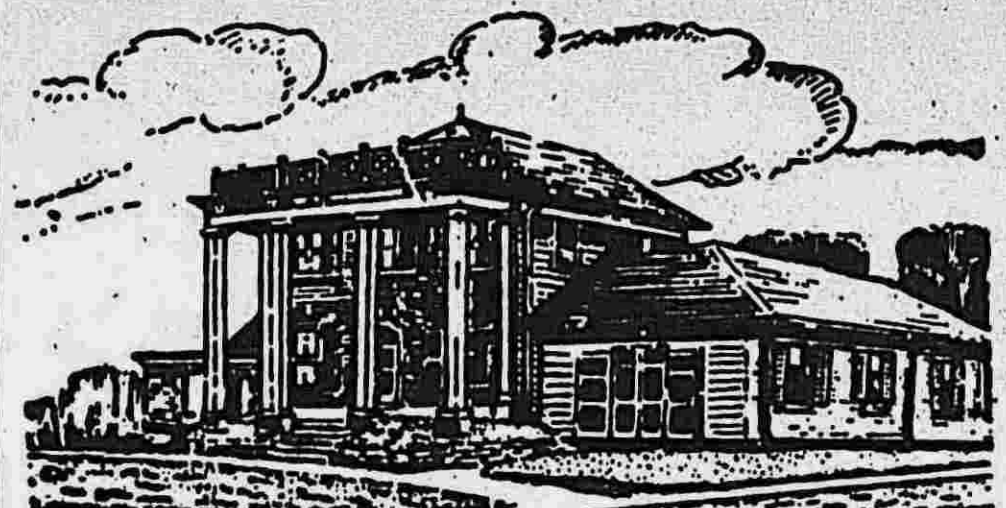

A graveside service was held last Saturday at Angola Cemetery in Lake Villa. Friends called at Strang Funeral Home in Antioch on Friday and Saturday.

### Restorations

Your cherished memories don't have to stay tucked away in that attic trunk or in the old family album you pored over as a child. They can be made to glow again ... in an honored place in your home or as a gift to someone dear.

## Legal Notices

### LEGAL NOTICE OF DISPLAY OF TENTATIVE BUDGET AND PUBLIC HEARING

NOTICE IS HEREBY GIVEN by the Board of Education of School District Number 36 in the County of Lake, State of Illinois, that the Tentative Budget for said School District for the Fiscal Year beginning July 1, 1976, will be on file and conveniently available to public inspection at Rt. 1, Box 716, Antioch, Illinois, in this School District beginning the sixth day of July, 1976, between the hours of 8:00 a.m. and 1:00 p.m.

Notice is further hereby given that a public hearing on said budget will be held at seven-thirty o'clock p.m. on the tenth day of August, 1976, at Grass Lake School in this School District 36.

Dated this 11th day of June, 1976. Board of Education of School District Number 36, in the County of Lake, State of Illinois.

Signed By:  
Beverly Mattson, Secretary  
June 16, 1976

### LEGAL NOTICE OF PUBLIC HEARING AS TO THE COMBINED TENTATIVE BUDGET AND APPROPRIATION ORDINANCE OF THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP"

PLEASE TAKE NOTICE that the Combined Budget and Appropriation Ordinance of the "First Fire Protection District of Antioch Township", in tentative form, has been prepared by the governing body and will be conveniently available for public inspection at the Antioch Township Office, 880 1/2 Main Street, Antioch, Illinois, between June 14, 1976, and July 19, 1976.

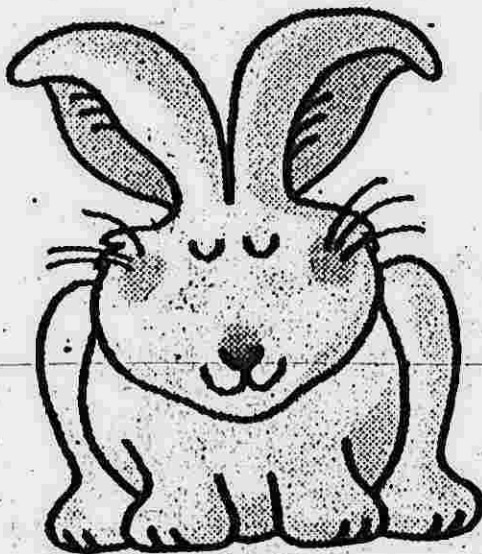

A public hearing will be held as to such Combined Budget and Appropriation Ordinance at 7:30 P.M., D.S.T., in the 19th day of July, 1976, at the Antioch Township Office, 880 1/2 Main Street, Antioch, Illinois.

Dated: This 10th day of June, 1976.

Charles R. Atwood  
Secretary of the "First Fire  
Protection District of Antioch  
Township"  
June 16, 1976

**Thanks  
to you, I still  
have a home.**

For over 30 years, Smokey has been asking you to be careful with fire. During that time, you've helped cut the number of careless fires in half. So from Smokey Bear and all of us who live in the forest, thanks for listening. And keep up the good work.

### AMERICAN IS IN ...

Perhaps that's the reason for the increasing popularity of American Indian jewelry.

If you're wondering what to give Dad, consider surprising him with a ring in genuine silver and turquoise.

There are also bolo ties, bracelets, and neckchains for men in authentic Indian designs.

Many department stores and small specialty shops now feature genuine Indian jewelry, and there are also many jewelry collections that reproduce the authentic look in less expensive materials.

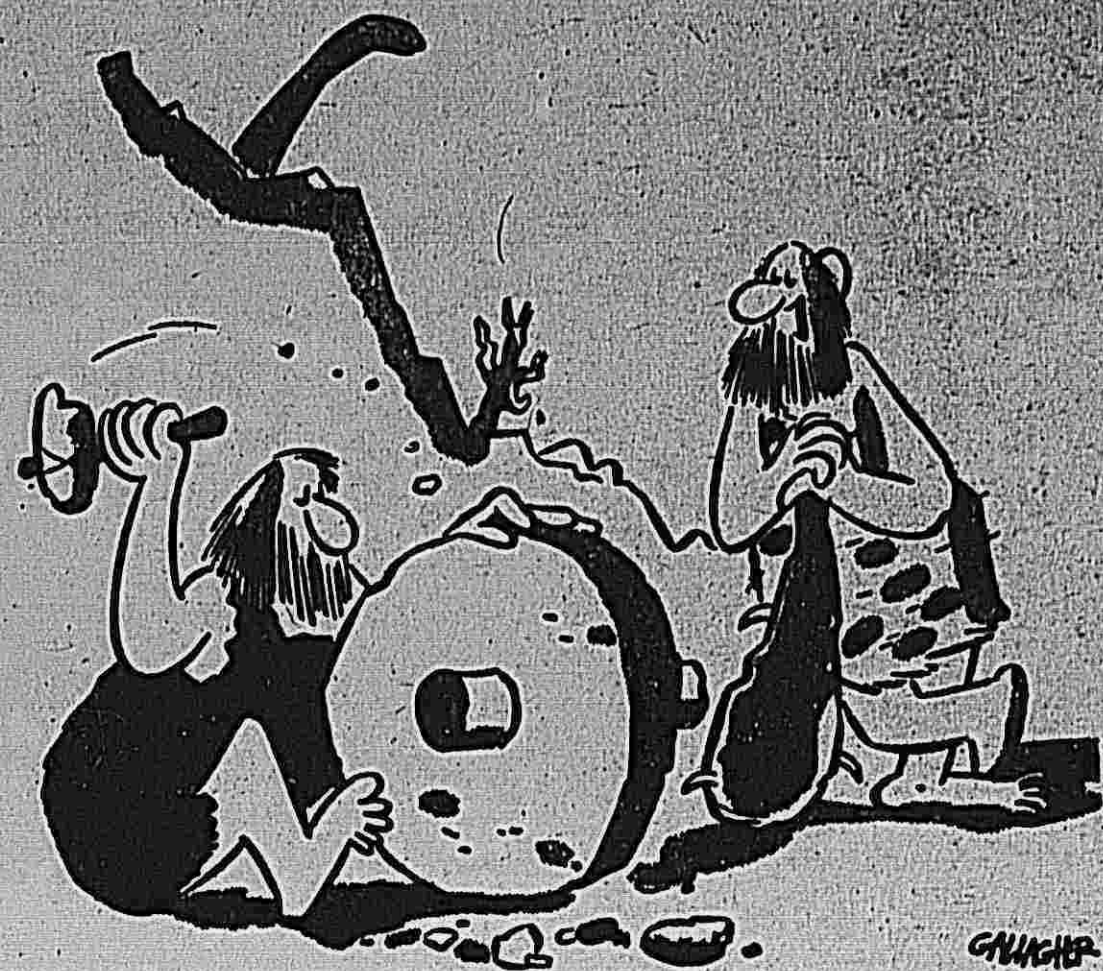

Whether you select the real thing or an attractive copy, Dad will be pleased with the rugged look of Indian jewelry on Father's Day.

### UNI-SCENTS ...

If you're picking out a cologne for that Father's Day gift, take a cue from the Europeans and make it a "unisex" scent. Experts with a nose for such things think that the light, clean fragrances now favored by Europeans may very well catch on here, too.

A good man out of the good treasure of the heart bringeth forth good things.

— Matthew 12:35

"What good is that thing? You can't hit girls with it."
